#FREEBRITNEY

Colleen and and Holly discuss the #freebritney story - there is a sources claiming that Britney Spears's Las Vegas residency was canceled is being held at a mental health facility against her will. Colleen and Holly discuss the source of this accusation, what it means to be under a conservatorship and what the podcasts wants us to do with this information.

Colleen and Bradley**4/18/19****1:05pm 1:15pm 10 min****#FREEBRITNEY**

Colleen and and Holly discuss the #freebritney story - there is a sources claiming that Britney Spears's Las Vegas residency was canceled is being held at a mental health facility against her will. Colleen and Holly talk about how the daytime talk show hosts on THE VIEW addressed the story, including Sharon Osbourne, who speculates on the legality of conservatorships.

Colleen and Bradley**4/19/19****12:05pm 10 min****#FREEBRITNEY**

Colleen and and Holly discuss the #freebritney story - there is a sources claiming that Britney Spears's Las Vegas residency was canceled is being held at a mental health facility against her will. Colleen and Holly talk about how this is actually two different stories: The medication and the conservatorship.

Colleen and Bradley**6/13/19****2:05pm 10 minutes****Jessica Biel and vaccinations**

Colleen and Bradley talk about actress Jessica Biel and her appearance in front of the California legislature to lobby against a bill that would tighten immunization requirements. Colleen and Bradley discuss the backlash against Biel for her anti-vaccination position, deconstructing Biel's message that she is supportive of vaccines, but opposed to the bill in California, which would require that medical exemptions to mandatory vaccination be approved by state health officials, rather than just individual doctors. Colleen and Bradley also talk about the importance of vaccinations for public health.

Lori and Julia**4/1/19****4:15pm 5 min**

The six biggest health mistakes women make in their 40's.

Lori and Julia**4/4/19****4:15pm 3 minutes**

As summer approaches, the best was to apply sunscreen to areas vulnerable to skin cancer.

Lori and Julia**4/5/19****4:15pm 3 minutes**

Walking in nature for 20 minutes everyday can reduce stress.

Lori and Julia**4/19/19****4:15pm 3 minutes**

Local toy store Creative Kidstuff is closing all stores after 38 years in the Twin Cities. We talked about how family-owned, small businesses can survive big box competition.

Jason and Alexis

4/9/19

7:07am 5 minutes

National Events and Conventions boost Twin City economy

After the success of hosting the NCAA Final Four, Minneapolis needs to attract more conventions. How can we do that? The ideas of building a better accessible convention center were discussed.

Jason and Alexis

4/24/19

5:35am 5 minutes

Local events: Grand Old Day cancelled

On April 22nd the GABA board canceled the event and let go of the staff involved because they had learned the previous week that with only 5 weeks to go the event planning was way behind what had been reported previously. There were insufficient volunteers, few sponsorships had been secured, and many key agreements for police, trash and vendors had not been finalized. This is a St Paul event on Grand Ave.

Jason and Alexis

4/26/19

5:45am 10 minutes

Donna and Steve

6/28/19

9:00am 3 hours

Food For Families: Second Harvest Heartland food drive

We broadcast from Pet Stuff to raise awareness and receive donations for our annual Food for Families charity

Colleen and Bradley

5/14/19

1:05 10 minutes

Banning Drive-Thrus in Minneapolis

Colleen and Bradley talk about the potential ban on building new drive-thru windows in the city of Minneapolis. According to Minneapolis city leaders, drive-thrus run counter to accomplishing the city's goal of carbon neutrality by 2050 and create safety hazards and breaks in pedestrian thoroughfares, and take up space that city planners would rather see used for development. Colleen and Bradley invite listeners to call in with their opinions.

Colleen and Bradley

5/16/19

1:05pm 10 minutes

What makes a "worst" city?

Colleen and Bradley talk about a new study from 24/7 Wall Street that names St. Paul the "worst" city in Minnesota. 24/7 Wall Street used 25 completely different measures to determine which cities in each state are the absolute worst, including cost of living, property taxes, mortality rate, and even the average time it takes residents to get to work. Colleen and Bradley ask listeners what they think makes up a "worst" city.

Colleen and Bradley

6/21/19

12:00pm 3 hours

Food For Families: Second Harvest Heartland food drive

Colleen and Bradley host a Food For Families broadcast at Kline Nissan in Maplewood. The special broadcast benefits Second Harvest Heartland, a local food bank that partners with food shelves, food pantries and other meal programs to bring food to those in need. Colleen and Bradley collect non-perishable food items to donate to Second Harvest Heartland.

Colleen and Bradley

6/27/19

12:00pm 3 hours

Food For Families: Second Harvest Heartland food drive

Colleen and Bradley host a Food For Families broadcast at Sea Life at Mall of America. The special broadcast benefits Second Harvest Heartland, a local food bank that partners with food shelves, food pantries and other meal programs to bring food to those in need.
