The Dave Thomas Foundation for Adoption is a nonprofit public charity dedicated to dramatically increasing the adoptions of the more than 140,000 children in North America's foster care systems waiting to be adopted. Created by Wendy's founder, Dave Thomas, who was adopted as a child, the Foundation leads signature national service programs and works to streamline the adoption process and make adoption more affordable for families. As the only foundation dedicated exclusively to foster care adoption, we are driven by Dave's simple value: Do what's best for the child.
