

ONLINE PUBLIC FILE CARRIAGE STATEMENT

Noncommercial educational station WEDY, Hartford, CT, requests continued mandatory carriage of WEDY by all satellite carriers providing local-into-local service to the Hartford/New Haven Designated Market Area (“DMA”), including, but not limited to, DirecTV and Dish Network. WEDY expects continued carriage of its signal in HD format where required, and on its current channel position, contiguous to other local broadcast stations retransmitted by such satellite carrier. WEDY further expects its signal to be retransmitted in accordance with all other applicable FCC requirements, and fully reserves its enforcement rights thereunder. We are providing a copy of this notice by email to DirecTV and Dish Network as a courtesy.

While WEDY is under no obligation to take further action at this time to preserve its mandatory carriage rights, WEDY fully reserves its enforcement rights under the Communications Act, FCC rules or any private agreement relating to carriage of WEDY or any or all of its channels.
