**WRDR ISSUES AND PROGRAM LIST**  
**QUARTER ENDING – June 30, 2020**

Each quarter of the year we place in our public inspection file a list of what we (WRDR Freehold, NJ) have seen as the problems and/or needs of our service area (New Jersey) in the preceding three months. Following you will find a list of the programs we aired that addressed those specific concerns.

The following is our list of issues and concerns for the Monmouth and Ocean counties area quarter ending **June 30, 2020**. Following this list are specific WRDR programs that aired in response to these issues. This report is arranged by identifying the category on the issues list, the programs that aired which gave significant treatment to that issue, along with its topic, discussion, date and time aired. Concluding each category will be the documentation of every public service announcement that aired in response/support to the issue of that particular category.

Trials - The Bible is clear that life will include many trials. The Bridge airs programming on this topic.

Parenting - In this day and age, traditional families are rare. Today there is a battle raging about what is right for the family. A case can be made for the need of traditional family values, such as having two parents, maintaining discipline, teaching respect for adults, and moms staying home with their kids. These are some things that will be addressed this quarter on The Bridge.

Immorality - Our increasingly immoral society impacts the individual, the family, the community, and beyond. This issue is addressed by programming on The Bridge.

Marriage - We at The Bridge want to help people understand the proper marriage relationship. Many of our teachers address marriage issues and related solutions.

Conflict - Adversity is increasing in our fallen world, as foretold by the Bible. The Bridge airs programming on this topic.

Fear - Fear is increasing in our fallen world. Many times in the Bible, we hear 'fear not'.

**The following is a list and description of the programming we aired this quarter to address category**

**#1 Trials**

<b>Regaining Lost Ground</b>	<b>April 5</b>	<b>1:00 pm</b>	<b>Sun</b>
------------------------------	----------------	----------------	------------

Pastor Shane Idleman discusses trials. God says, look to Me and let Me be your strength. Look not to this world but be transformed by the renewing of your mind. Both fear and hope need fuel to survive. You're either fueling fear or fueling hope. God said He will never leave us or forsake us. We must prevail in prayer. Not just 5 minutes in prayer, but daily prayer. Our strength on the inside has to be stronger than the fear on the inside.

<b>Connect With Skip</b>	<b>April 10</b>	<b>12:30 pm</b>	<b>M-F</b>
--------------------------	-----------------	-----------------	------------

Pastor Skip Heitzig says our trials are multiple and come in every color. Trials are needful. There are special times that God knows we need them, in different colors for different times in our lives. "It is better if it is in the will of God to suffer for doing good than to do evil." 1 Peter 3:17

<b>Anchored in the Word</b>	<b>May 29</b>	<b>11:00 am</b>	<b>M-F</b>
-----------------------------	---------------	-----------------	------------

Pastor Bill Beckelman discusses trials. He says that suffering and chastening are beneficial to us, and are part of the Christian life.

**The following is a list and description of the programming we aired this quarter to address category**

**#2 Parenting**

<b>Regaining Lost Ground</b>	<b>April 5</b>	<b>1:00 pm</b>	<b>Sun</b>
------------------------------	----------------	----------------	------------

Pastor Shane Idleman discusses parenting. He says parents need to shepherd their children. During the Covid 19 crisis with time at home, spend time with your children in the word of God. Teach them. Seek God first before the media. Whatever I seek first is my priority. Parents, you set the tone for humility in your home. Don't play the blame game with your spouse.

<b>The Word Made Plain</b>	<b>June 2</b>	<b>1:00 pm</b>	<b>M-F</b>
----------------------------	---------------	----------------	------------

Pastor Tony Clark discusses parenting. We need to teach our children about the Ten Commandments, the letter of God's law and the spirit of God's law. The spirit of God's commandments is written on our hearts, and we will be convicted on our conscience. When we are doing something immoral, the Holy Spirit convicts us through our conscience. How difficult it is to raise G-rated children in an X-rated world! Our home must be a home that fears the Lord.

<b>The Faithful Word</b>	<b>June 29</b>	<b>5:30 pm</b>	<b>M-F</b>
--------------------------	----------------	----------------	------------

Pastor Bobby Hargraves says a successful marriage and family are built upon Christ. Young people should be counseled. Admonish young people, talk to them, tell them what God wants them to do with their lives. When it's time for marriage, they should be counseled on the Bible's teachings for marriage.

**The following is a list and description of the programming we aired this quarter to address category**

**#3 Immorality**

<b>Connect With Skip</b>	<b>April 22</b>	<b>12:30 pm</b>	<b>M-F</b>
--------------------------	-----------------	-----------------	------------

Pastor Skip Heitzig discusses immorality. Satan will tempt you and destroy you if allowed. He is the deceiver who can lead you into perverse sin, unless you rely on the power of the Lord to protect you. Satan is not equal to God on the other side of the "ring". God does not fight Satan, God just wins.

<b>The Faithful Word</b>	<b>June 10</b>	<b>5:30 pm</b>	<b>M-F</b>
--------------------------	----------------	----------------	------------

Pastor Bobby Hargraves discusses immorality. The path to God is a narrow path. People are relying on their alcohol, drugs, pornography. That kind of life won't get you to God. It's a life of desperation and death. The narrow path is the right path to choose.

<b>Things Above Radio</b>	<b>June 27</b>	<b>12:00 pm</b>	<b>Sat</b>
---------------------------	----------------	-----------------	------------

Pastor John Durante discusses immorality. He says lay aside filthiness and the overflow of wickedness, and embrace the implanted Word. Bear fruit if you plant seeds of truth for a righteousness-producing plant. Nurture the truth given by the Lord.

**The following is a list and description of the programming we aired this quarter to address category**

**#4 Marriage**

<b>Bridging The Gap</b>	<b>April 27</b>	<b>7:30 pm</b>	<b>M-F</b>
-------------------------	-----------------	----------------	------------

Pastor Lloyd Pulley discusses marriage. He says nothing makes us learn more humility than marriage. Pride is the problem of created beings. Pastor thought his wife was lucky to be married to him. He thought, who am I to get out of my lane and try to be someone I'm not? Just let me travel in the lane the Lord gave me.

<b>Maranatha Radio</b>	<b>June 3</b>	<b>12:00 pm</b>	<b>M-F</b>
------------------------	---------------	-----------------	------------

Pastor Ray Bentley discusses marriage. How rich, sweet, true, and loving are the renewal of marriage vows. The same for renewing your commitment to Jesus. You don't need to be saved multiple times, but you can renew your commitment to Jesus just as you can renew your marriage vows.

<b>Light On A Hill</b>	<b>June 22</b>	<b>3:00 pm</b>	<b>M-F</b>
------------------------	----------------	----------------	------------

Pastor James Kaddis discusses marriage. He says never let a day go by with unconfessed sin piling up. Pastor James prays with, and for, his wife every single day. If there is a disagreement, they do their best to pray and resolve it before going to bed that night. Also, when a stranger compliments him, Pastor James is strong about not allowing the door to be open to interfere with his marriage.

**The following is a list and description of the programming we aired this quarter to address category**

**#5 Conflict**

<b>Growing Thru Grace</b>	<b>June 22</b>	<b>1:30 pm</b>	<b>M-F</b>
---------------------------	----------------	----------------	------------

Pastor Jack Abeelen discusses conflict. The Bible says don't repay evil with evil, but with good. Vengeance is mine, says the Lord. There is no blessing in getting even. An eye for an eye in the Bible was for the purpose of civil justice. Today we don't hit back once, we hit back 8 times. The Bible says to live at peace with all men.

<b>Let My People Think</b>	<b>June 27</b>	<b>8:00 pm</b>	<b>Sat</b>
----------------------------	----------------	----------------	------------

Ravi Zacharias discusses the conflict of sinful thoughts and behaviors vs. the goodness of godly living. The Holy Spirit gives us a conscience and knowledge of right and wrong. Ravi tells of a drug nearing completion that can be used for military PTSD, so the sufferer won't recall tragic events that cause them nightmares. An additional conflict arises; what's to prevent that same drug from being used by murderers and rapists who commit heinous acts and then go home and take this pill?

<b>CCOB Live</b>	<b>June 28</b>	<b>9:30 am</b>	<b>Sun</b>
------------------	----------------	----------------	------------

Pastor Rob Baltodano discusses conflict. Even things like Covid have helped to cause conflict and division in the church. The enemy is going after the Christians who are divided about whether to quarantine and whether to go to church. When people are out of their routine and stressed by the impact of the battle within and outside of the church, Satan looks for a foothold in our lives. The Bible says we are battling against powers and principalities. We have conflict with our culture and people, and we will sin. But the Holy Spirit will help us; we need to yield to the Holy Spirit.

**The following is a list and description of the programming we aired this quarter to address category**

**#6 Fear**

**Walking in Truth**

**June 2**

**2:30 pm**

**M-F**

Pastor Johnny Zacchio discusses fear. He says God has not given us a spirit of fear but of power. He gives us power, love, and a sound mind, a peaceful mind. Satan is a liar. He loves to instill fear in people. After consulting reliable news sources, we should not be sitting in fear of what might happen. Take proper precautions and don't be dominated by fear tactics.

**Upon This Rock**

**June 5**

**5:00 pm**

**M-F**

Pastor Mike McCarrick discusses fear and tells the story of Nehemiah. We are afraid of opposition. We are afraid of the thought of opposition. When we honor and obey God, we will always have opposition. When a great leader has vision, he also waits. Wisdom often brings waiting. We commit our plans to the Lord. The Lord will tweak our plans and bless them. And we don't need to fear because the Lord is in control.

**The Alternative**

**June 21**

**11:30 pm**

**Sat**

Dr. Tony Evans discusses fear. Jesus asked the disciples in the boat, why are you afraid? How is it you have no faith? When you're in the will of God and it's not working out, the test is will you believe His word or will you believe your problem. Faith is believing in things unseen. Jesus said, let us go to the other side, meaning everyone will make it. Tests are often designed to show the level of our fear, and strengthen us for the next test. You can't always stop fear from coming, but you can keep it from living in you. When the test comes, don't throw away your faith.
