

February 8, 2024

On February 7, 2024, WZQY (#166082), was acquired by Educational Media Foundation (EMF). Due to other pending filings for WQZY by EMF prior, access to the Online Public File (OPIF) was no longer available to the previous owner of WQZY. As a result, the 4Q-2023 quarterly program/issues report was not uploaded to the OPIF by its required deadline of January 10, 2024.

Once EMF gained full possession of WQZY, the quarterly program/issues report was obtained and uploaded to the OPIF on this date, February 8, 2024.
