Re: **Must-Carry Election**
KVTN-DT, Pine Bluff, AR
Little Rock – Pine Bluff Arkansas DMA

Gentlemen/Ladies:

Please be advised that, pursuant to Section 76.64(f) of the rules of the Federal Communications Commission ("FCC"), Agape Church, Inc., the licensee of television station KVTN-DT, licensed to Pine Bluff, AR, has elected must-carry status on your cable system(s) serving the following communities, and any other community within the Little Rock – Pine Bluff DMA that you serve, for the period beginning January 1, 2015 and ending December 31, 2017.

- Alexander (17)
- Jacksonville (17)
- Pulaski County (17)
- Bryant (17)
- Little Rock (17)
- Sherwood (17)
- Cammack Village (17)
- North Little Rock (17)

This will further advise that, pursuant to §76.57(e) of the FCC rules, our station agrees to continue carriage on the cable channel on which the station is currently carried on your system, which according to our records is the channel as indicated in parentheses in the list above. If that channel is not available, we elect to be carried on Channel 25 on your system; this is the "major channel" identified in KVTN-DT's PSIP stream, which allows television receivers to tune to the channel that the station uses over-the-air.

In addition, we are pleased and excited to take this opportunity to inform you that we are in the process of upgrading KVTN's broadcast facilities and will begin to broadcast in high definition ("HD") in the near future. Although a precise date for the transition to HD operations has not yet been set, we will be in further contact with you to discuss this exciting change.

We will be pleased to cooperate with you to help provide the best possible service for your subscribers. Please do not hesitate to contact me if you have any questions on this matter.

Very truly yours,

KVTN-DT
