Re: Request for Experimental Authority  
CC Licenses, LLC

Dear Counsel:

The staff has under consideration the requests received on May 4, 2006, for experimental authority to transmit a hybrid digital signal incorporating multiple channels. The licensee requests experimental authority pursuant to 47 C.F.R. § 73.1510 for the following stations:

<b>Station</b>	<b>Location</b>	<b>Facility ID</b>
KTOM-FM	Marina, CA	40145
WJCD(FM)	Windsor, VA	31123
WCDG(FM)	Moyock, NC	70345
WKUS(FM)	Norfolk, VA	69570
KNIX-FM	Phoenix, AZ	7698
KDON-FM	Salinas, CA	26930
WLZT(FM)	Chillicothe, OH	52042
WOWI(FM)	Norfolk, VA	69558
WKKF(FM)	Ballston Spa, NY	17030
KPRC-FM	Salinas, CA	8204
KOHT(FM)	Marana, AZ	8143
KOCN(FM)	Pacific Grove, CA	8082
WHRL(FM)	Albany, NY	55490

The stations propose to test a modified version of the hybrid IBOC system which the Commission has authorized for interim use.<sup>1</sup> The IBOC system under test splits the digital bitstream into multiple

---

<sup>1</sup> Radio stations do not require experimental authority for normal hybrid IBOC operations. See *Digital Audio Broadcasting Systems and Their Impact on the Terrestrial Radio Broadcast Service*, 17 FCC Rcd 19990 (2002) (“*IBOC Order*”).

digital channels in order to test secondary audio and advanced application services. The occupied bandwidth of the digital sidebands will remain as specified in Appendix B of the IBOC Order. The hybrid signal will be transmitted via the station's authorized antenna, and will not require a change in the station's authorized ERP.

Accordingly, the requested experimental authority for the hybrid digital operation described above IS HEREBY GRANTED. This authority is specifically conditioned on the lack of objectionable interference. A report detailing the methodology employed and the results obtained must be submitted within **ninety** days following the conclusion of the experimental operation pursuant to 47 C.F.R. § 73.1510(d). This experimental authority expires on June 1, 2007. Any request for extension of this authority should be filed at least thirty days prior to this expiration date.

**Additionally, such a request must include an interim version of the aforementioned report that details the progress of the experimental program as of the filing date.**

Sincerely,

A handwritten signature in cursive script that reads "Ann Gallagher".
