

WMPM Radio 3rd Quarter 2021

Your Morning With JJ

Weekly Public Affairs Program

July 17, 2021

The staff of WMPM was asked to be involved in deciding community needs from people in all walks of life in the community. We made frequent contact by attending city and town meetings as well as contacting in person and by telephone for their input. We followed by doing 15 minute programs on the air with people in the community.

August 21, 2021

We talked with the administrative staff of the Humane Society on our County Forum. We had a fun filled jam packed episode full of information on how to adopt a cat or dog and the needs of pets in the community. We discussed the aftermath of recent adoptions that went international.

September 24, 2021

We spoke with Lisa Graham of The Global Travel Services to discuss the serious impact that COVID-19 had placed on the travel industry and what that means for local travel agents. Are you concerned about travel due to COVID-19, but want to go anyway? We were given great tips on how you can stay safe while traveling.
