STATION: KOBF REPORTING PERIOD: ¹ April 1, 2016 TO June 30, 2016

Date Filed:² July 11, 2016

DATE OF PROGRAM	TIME AND DURATION	TYPE OF PROGRAM ³	ISSUE ADDRESSED BY PROGRAM ⁴	NARRATIVE DESCRIBING HOW ISSUE WAS TREATED
April 1, 2016	5:00AM 1 Minute, 15 seconds	Eyewitness News 4 Today	UNM safety survey on campus	UNM (University of New Mexico) wants to know what students really think about the social climate on campus; whether they feel safe or whether they feel rape culture is prevalent. 10-thousand students chosen at random will be asked to fill out a survey about how often they believe sexual assault occurs; what the factors they think contribute to it. UNM will use all of responses to make future plans about preventing and responding to sexual assault on campus.
April 1, 2016	5:00AM 43 Seconds	Eyewitness News 4 Today	Increased graffiti in Albuquerque	Albuquerque city leaders are seeing an increase in graffiti. This year the city is having to add new positions and shifts to tackle the growing problem. Marco Holloway with Albuquerque Solid Waste tells us everyone can help; the key is dialing 311 anytime you see graffiti. There's even a 311 app where you can take a picture of the graffiti and send it to the city.
April 1, 2016	5:00PM 32 Seconds	Eyewitness News 4 at 5	APS employee background checks	New Mexico's largest school district has started background checks on nearly 2-thousand employees. The checks are part of several rules the APS board approved last month.

STATION: KOBF REPORTING PERIOD: ¹ April 1, 2016 TO June 30, 2016

Date Filed:² July 11, 2016

April 4, 2016	5:00AM 1 Minute, 57 seconds	Eyewitness News 4 Today	Women making strides in careers dominated by men	Women are making strides in careers dominated by men in the office or in the field. The percentage of women serving the Albuquerque community as firefighters and police officers still make up less than a quarter of all first responders. However that number is increasing.
April 4, 2016	5:00AM 30 Seconds	Eyewitness News 4 Today	Cyber safety in New Mexico	Some teens in Northeastern New Mexico will learn the importance of online safety. Members of the Attorney General's community outreach division will be at Clayton High School to talk about Cyber Safety. Topic will be teen dating violence trainings; event will also be in Albuquerque and Los Lunas.
April 4, 2016	12:00PM 3 Minutes, 6 seconds	Eyewitness News 4 at Midday	Heroin Safe Zone	New Mexico has one of the highest rates of overdose related deaths in the country especially in Rio Arriba County. How do we stop this? Some cities are considering a controversial approach. They're looking to offer a site where medically-supervised heroin injection is allowed. The idea is to provide clean needles to prevent infection and disease, while slowly encouraging addicts to move into detox and treatment.
April 4, 2016	12:00PM 54 Seconds	Eyewitness News 4 at Midday	Four Corners BLM Rules	New rules aim to protect environment while still helping the energy industry. The rules deal with venting and flaring of natural gas. The rules could force an estimated 75-hundred or more wells to be capped resulting in 9-thousand or more jobs lost.
April 5, 2016	10:00PM 25 Seconds	Eyewitness News 4 at 10	ACLU complaint against U.S. Homeland Security	The ACLU has filed a complaint against US Homeland Security. It claims immigration officials have confiscated and failed to return personal belongings of more than two dozen people who were deported. The complaint says it exposed them to severe risk of harm upon their return to Mexico. The ACLU says it happened in the El Paso Border Patrol sector, covering West Texas and New Mexico.
