

ISSUES/PROGRAM LIST

STATION: KOB-TV

REPORTING PERIOD: ¹ July 1, 2006 TO September 30, 2006

Date Filed:² October 10, 2006

DATE OF PROGRAM	TIME AND DURATION	TYPE OF PROGRAM ³	ISSUE ADDRESSED BY PROGRAM ⁴	NARRATIVE DESCRIBING HOW ISSUE WAS TREATED
July 1, 2006	6:00AM 19 Seconds	Eyewitness News 4 Weekend Edition	NM DWI Super blitz	The state's DWI super blitz is already underway. In addition to looking for drunk drivers, police will keep their eyes open to make sure drivers are following the other rules of the road. The super blitz will end on July 16 th .
July 1, 2006	6:00AM 28 Seconds	Eyewitness News 4 Weekend Edition	Albuquerque odd-even water schedule	Remember Albuquerque and Bernalillo County will go to an odd-even watering schedule starting today. That means, if you have an "even numbered" address you can water your lawn on Sundays, Tuesdays and Thursdays, but not between 11AM and 7PM. Odd numbered addresses can water on Mondays, Wednesdays and Saturdays. No one is allowed to water on Fridays. You can still water your garden and plants with a hose or watering can on any day.
July 1, 2006	5:00PM 31 Seconds	Eyewitness News 4 at 5	New meth law	Starting today licensed pharmacies throughout the state will only be able to sell a limited amount of products containing pseudoephedrine, which is used to make meth. Each purchase will be limited to three-point-six grams per day, which is a little more than two boxes containing 48 tablets. Pharmacies will also be required to check your ID and record your info in a sales log.
July 2, 2006	8:30AM 30 Minutes	Chris Matthews Show	Political issues	Will Bush scale back his executive powers after the Supreme Court's Guantanamo decision? Plus, who's the next Bill Clinton?
July 3, 2006	5:00AM 24 Seconds	Eyewitness News 4 Today	Calcium supplements	It appears calcium supplements do more than keep your bones healthy and strong. They could also help you maintain a healthy weight. Middle-aged people who took calcium supplements were better able to maintain their weight than those who did not supplement their diet. Researchers didn't see the same effect from calcium in foods. The effect was particularly significant among women.

DATE OF PROGRAM	TIME AND DURATION	TYPE OF PROGRAM	ISSUE ADDRESSED BY PROGRAM	NARRATIVE DESCRIBING HOW ISSUE WAS TREATED
July 3, 2006	5:00AM 31 Seconds	Eyewitness News 4 Today	Fireworks safety	New statistics show an estimated 85-thousand fireworks-related injuries were treated in emergency rooms. They all involved kids under age 19. The most common type of firework injuries was burns around the eyes, face and hands.
July 5, 2006	5:00PM 30 Seconds	Eyewitness News 4 at 5	Teen driver study	Setting stricter conditions on teen drivers may help save their lives. Researchers found tougher rules on 16-year-old drivers may reduce deadly accidents by as much as 21 percent. Examples; a waiting period before a young driver is eligible to move from a learners' permit to an intermediate license and restrictions on driving at night.
July 9, 2006	5:00AM 30 Minutes	Eye On New Mexico Public Affairs	Role of NM attorney general	The majority of the show was devoted to discussing the role of attorney general. We talked about the current AG (Patricia Madrid) prosecuting the witnesses in the Robert Vigil (former state treasurer) trial. Talked about how the AG has influence in matters like public corruption.
July 16, 2006	8:30AM 30 Minutes	Chris Matthews Show	Political issues	Has Iraq crippled Bush's ability to solve world crises? Plus, could Guillian win the 2008 GOP nomination.
July 16, 2006	10:00AM 30 Minutes	Eye On Mexico Public Affairs	New Mexico's drought	The program focused on New Mexico's drought and its affect on agricultural and commercial interests. John D'Antonio discussed some of the ways the state is working to replenish the water supply. We discussed problems with the city's aquifer. Also discussed the impact of the drought on agriculture.

July 23, 2006	8:30AM 30 Minutes	The Chris Matthews Show	Political issues	Is the Mideast crisis America's war? Could Bush's stem cell veto lead to a Democratic takeover of Congress? Plus, will Joe Lieberman lose the Connecticut primary?
July 23, 2006	10:00AM 30 Minutes	Eye On New Mexico Public Affairs	Battle between Albuquerque Public Schools and Albuquerque Mayor	Albuquerque Mayor Martin Chavez recently stated the he would like control of the APS capital budget. Two Albuquerque Public School Representatives expressed concerns with this idea, stating their opinion that the city would not do a better job of managing the budget than the school board. They also disagreed with the mayor's opinion of how money is being spent, on capital outlay projects (new schools, etc) and district programs (after school, anti-dropout, etc.).
July 30, 2006	8:30AM 30 Minutes	The Chris Matthews Show	Political issues	Is Iraq hampering U.S. Diplomacy in the Israel-Hezbollah war? Plus, does the Democrats' new '08 Primary calendar hurt Hillary?
July 30, 2006	10:00AM 30 Minutes	Eye On New Mexico Public Affairs	Albuquerque library late fees, red light cameras	Discussion of KOB's story on library late fees not being collected by the city, the red light cameras and speed vans, their results so far, and the revenue they have brought to the city.
August 6, 2006	8:30AM 30 Minutes	The Chris Matthews Show	Political issues	Have Bush and Cheney gone too far in expanding executive power? Plus, does the daily show make young viewers cynical about politics?

August 6, 2006	10:00AM 30 Minutes	Eye On New Mexico Public Affairs	History of turquoise mining in New Mexico	Author Pat McGraw discusses her book about the history of turquoise mining in New Mexico. The title of the book "Tiffany Blue".
August 13, 2006	8:30AM 30 Minutes	The Chris Matthews Show	Political issues	Will this week's terror threat trump anti-war drumbeat? Plus, with Democrats' anti-war sentiment at an apex, will Hillary recant her war vote?
August 13, 2006	10:00AM 30 Minutes	Eye On New Mexico Public Affairs	Renewable energy in New Mexico	Jason Marks discussed the Public Regulation Commission's efforts to develop sources of renewable energy in New Mexico. He discussed alternative energies, such as wind, biomass, and solar power. We talked about the cost efficiency of the different types, and specific goals for the state.
August 20, 2006	8:30AM 30 Minutes	The Chris Matthews Show	Political issues	Is President Bush losing faith in the Iraq war? Plus, has the Connecticut Senate battle become a proxy war over Iraq?
August 20, 2006	10:00AM 30 Minutes	Eye On New Mexico Public Affairs	Passing of Kendra's Law in New Mexico	Discussed impact of Kendra's Law in New Mexico, who would be affected and how it would be executed if passed. This on the anniversary of the death of 5 people allegedly killed by a mentally ill person. The law would prevent similar crimes in the future. It would give courts authority to force mentally ill people to take their medications.

August 23, 2006	5:00AM 27 Seconds	Eyewitness News 4 Today	Albuquerque Recycling Proposal	Albuquerque's City Council is looking into making it easier for apartment residents to recycle. The Bill under consideration would force apartment complexes with 25 units or more to provide recycling bins on site. Right now, apartment dwellers have to haul their recyclables to designated areas...while homeowners get to leave their aluminum, plastic, and newspapers in a bag on the sidewalk for pick up on trash day.
August 23, 2006	5:00AM 28 Seconds	Eyewitness News 4 Today	Fighting the drug problem	Some new money is coming to New Mexico to help combat the illegal drug trade. Officials announced Sandoval, Valencia and Tarrant Counties will be added to the high intensity trafficking program. They'll get 300-thousand dollars. The program allows Federal, State and local officials to investigate everything from meth labs to drug trafficking.
August 23, 2006	4:00PM 31 Seconds	Eyewitness News 4 Live at 4	Nicotine withdrawal	Researchers say nicotine withdrawal symptoms can start just 30 minutes after you smoke your last cigarette. For four hours, the researchers studied 50 people who smoked one pack a day. Half were allowed to smoke. Those who weren't began craving cigarettes a half hour after the study started. Researchers say they were also angry by the end of the first hour and did not do well on tests that required sustained attention.
August 23, 2006	7:00PM 60 Minutes	Opportunity To Succeed Public Affairs	Documentary with New Mexico's top education officials	"Opportunity To Succeed", is a one hour documentary, including a live question and answer segment with the state's top education officials.
August 27, 2006	6:30AM 30 Minutes	Eye On New Mexico Public Affairs	Sequel of discussion of Kendra's Law	NM Lt. Governor Diane Denish responded to criticism for asking city council to delay a symposium on the controversial issue. We also talked about the debate over Kendra's Law at the city and state level. We discussed the potential negative impact of Kendra's Law on certain mentally ill people.

August 27, 2006	8:30AM 30 Minutes	The Chris Matthews Show	Political issues	What are the consequences of a Democratic takeover of Congress this fall? Plus, how will John McCain deal with the Iraq war as he readies an '08 run?
September 3, 2006	8:30AM 30 Minutes	The Chris Matthews Show	Road to 9/11	The road to 9/11: who is behind it? What drove the killers? Plus, five years after 9/11, is Al Qaeda a gang or an idea – and can we beat it?
September 3, 2006	10:00AM 30 Minutes	Eye On New Mexico Public Affairs	Eclipse Aviation	Eclipse Aviation recently received a "provisional certification" for its Eclipse 500 jet. We discussed the significance of this event to the aviation industry and on Albuquerque's economy. We talked about the way Eclipse's commuter jet will revolutionize business travel. We also discussed the effects airline terrorism has had on the industry.
September 10, 2006	8:30AM 30 Minutes	The Chris Matthews Show	White House terror strategy and Guiliani's image survive '08 campaign	Will the White House terror strategy pay off in November? Plus, can Rudy Guiliani's heroic image survive the heat of the '08 campaign?
September 10, 2006	10:00AM 30 Minutes	Eye On New Mexico Public Affairs	Local author's father's experience in Nazi concentration camps	We interviewed local author Alan Haft and his father Harry Haft. Alan wrote a book about his father's experience in Nazi concentration camps and after the war as a prizefighter in New York City. The book is called "Harry Haft: Survivor of Auschwitz, Challenger of Rocky Marciano".

September 17, 2006	10:00AM 30 Minutes	Eye On New Mexico Public Affairs	Gary King, candidate for Attorney General	Originally intended to have debate between Attorney General candidates Gary King and Jim Bibb, but Mr. Bibb was unable to attend at the last minute. Instead we spoke with Gary King about issues affecting the office of Attorney General. We also discussed the Robert Vigil re-trial, and the congressional race between Heather Wilson and Patricia Madrid.
September 24, 2006	10:30AM 30 Minutes	Eye On New Mexico Public Affairs	Political bloggers	Mr. Burgos and Mr. Knudsen are local political bloggers. This means they have websites where the post articles and opinions on local political topics. We discussed how internet blogging has affected politics and particularly this year's races. Also discussed how their political affiliations influence their blogs.
