Quarterly Issues/Programs List

1st Quarter of 2021

KAKT/Phoenix/Oregon

The following is a list of programs aired that have provided the station's most significant treatment of community issues.

| DATE | Time | Duration | Title | Issues/Topics | Description |
|----------|-------|----------|----------------------------------|--|--|
| 01/02/22 | 06:00 | 30:00 | "Reforming Juvenile Delinquents" | Criminal reform Child Psychology Public health | Ashley Kendall, PhD, postdoctoral fellow in the University of Illinois at Chicago School of Public Health led a study that examined ways to prevent juvenile delinquents from returning to the criminal justice system. She found that clinically aggressive juvenile offenders on probation, who participated in a two-week intervention program designed to reduce risky behavior, were four times less likely to be incarcerated in the following 12 months. She also discussed the variety |

| <i>01/09/22</i> | <i>06:00</i> | <i>30:00</i> | <i>“Women’s Competitiveness & the Gender Wage Gap”</i> | <i>Gender equality Economics</i> | <i>A researcher studying America's gender wage gap examined the recent theory that women may be less competitive and take fewer risks than men. Alessandra Cassar, PhD, Professor of Economics at the University of San Francisco, shares her fascinating findings.</i> |
| <i>01/16/22</i> | <i>06:00</i> | <i>30:00</i> | <i>“The Pandemic’s Effect on Hoarding”</i> | <i>Mental health Supply side economics Covid 19 Pandemic</i> | <i>Mental disorder symptoms have emerged or worsened for many people during the pandemic. Lockdowns and supply chain issues have also led to hoarding behavior. Carol Matthews, PhD, Professor of Psychiatry, University of Florida, explains how to distinguish between hoarding, stockpiling and panic buying, and what constitutes normal behavior in an abnormal time.</i> |
| <i>01/23/22</i> | <i>06:00</i> | <i>30:00</i> | <i>“Adoptee Reunions”</i> | <i>Adoption Family planning DNA & genealogy studies</i> | <i>Modern technology such as DNA tests and online genealogy databases can change lives in dramatic ways. Many adoptees now have the means to locate long-lost parents and siblings. Sometimes the reunions are joyful; other times not so much. We spoke with Julia Brewer Daily, author of “No Names to Be Given”, a novel based on her real-life story of adoption, to learn about the emotional</i> |
