

## **WAOC, 1420 AM Public Ascertainment St. Augustine, Florida 2nd Quarter 2021**

Contained in this file is a sampling of programs used during the quarter to address the needs of the community in the public interest. Public needs were ascertained through general interviews in person, on the telephone, and through staff study of local news media including television and print. Respondents represent various ages, locations, economic status, ethnic backgrounds, and gender.... The top five (5) issues identified as concerns were as follows: life's adversities, health & wealth, military, alcoholism, minorities.

**.Family Talk**                      **May 12&13, 2021, 6:00 am**

When couples experience the profound sense of pain and loss from a miscarriage, well-intentioned family members and friends can say hurtful things. But Dr. Walt and Barb Larimore, along with Russ and June Gordon, who have suffered a total of six miscarriages between them, give practical advice on what caring people should say and do.

Rob and Dianne Parsons, co-authors of *The 60 Minute Mother*, underscored the importance of mothers being vulnerable with one another and admitting that their family lives aren't perfect. This is when stressed-out moms can best discover the grace and guidance of God and only then do they find the appreciation they deserve in life's simple moments.

John Stonestreet gave commentary and interviews around the topic of talking with children about tough topics like COVID, and how to prepare children for the storms in life.

**Family Talk**                      **June 11, 2021, 6:00 am**

Bob Waliszewski, former director of PluggedIn.com, joined Dr. James Dobson to discuss what to look out for in today's media culture. His experience revealed that children need the guidance of parents to make wise choices, especially when they're faced with peer pressure and are tempted to consume media that glorifies worldly, sinful behavior.
