KTST Quarterly Issues/Programs List

KTST provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

Covid\Flu-RSV-Covid is still making its comeback as third and fourth rounds of vaccinations are necessary. Flu season is the worst in years and the emergence of RSV.

Cyberbullying-More and more teen and pre-teen suicides are being blamed on this new social media challenge.

Fire Safety-as the temperatures drop more and more fires are reported throughout the metro.

Mental Health-As we celebrate Veteran's Day many vets are still not accessing the many resources at their disposal.

Hunger-Homelessness-As the holiday season approaches and the temperatures drop the focus on those who have less comes to the forefront.
