KTST
Quarterly Issues/Programs List

KTST provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

Covid-The pandemic seems to be lingering in the form of more vaccinations, more cases, but, fortunately, fewer deaths. What will be the ramifications going back to school.

The Economy-Inflation continues to soar, the market continues to plummet, and there are arguments if we have slipped into a recession.

Gun Violence-With back to school upon us what are schools doing to better protect students.

Addiction Recovery-More and more are becoming addicted to fentanyl and other pain relievers. What is the latest to combat the influx of these sometimes deadly drugs.

**Section I
