KTST
 Quarterly Issues/Programs List

KTST provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

-Veteran's Affairs: With our many military bases, VA, and retired military present it is important to make sure our vets receive all their benefits.

-Heat Safety: It is the hottest months of the year and with triple digit temperatures day after day it is important to communicate how to best deal with the heat.

-Distracted Driving: With more and more accidents and deaths being caused by distracted driving, what is being done about it and how to avoid it must be communicated again and again.

**Section I
