WBTT broadcasts Florida Roundtable on Sunday at 7:00 am.

ISSUE	PROGRAM / TITLE	DESCRIPTION	GUEST	DATE / TIME	DURATION
Coronavirus information	Florida Roundtable	<p>W/ Dr. Hendrix: He discusses what people need to know about the coronavirus. He talks about why he believes it is going to get worse before it gets better. He also talks about the symptoms of COVID-19 and the possible treatments for it. Hendrix gives information on how people who need to get tested can get tested for the virus. Also talks about getting tested for antibodies. Plus, he gives his take on the possibility of resurgence in the Fall.</p> <p>30 minutes</p>	<p>Dr. Hendrix: Doctor at Advent Health</p> <p>Zach Smith: Legal Fellow at Heritage Foundation</p>	April 4-5, 2020 7:00 AM	30 min
Coronavirus Information	Florida Roundtable	<p>W/ Boyd: He gives his background as a Green Beret and an intelligence specialist. He also discusses the latest news on the removal of Captain Brett Crozier of his command and why the Navy decided to do so. Brain says it is all about the failure to follow the chain of command. He also talks about why following the chain of command is important and why he believes Capt. Crozier made the wrong call by going to the media.</p> <p>30 minutes</p>	<p>Brian Boyd: Security Intelligence Specialist</p> <p>Dr. Carol Osborne: Veterinarian</p>	April 11- 12, 2020 7:00 AM	30 min

<p>Coronavirus Information and Politics</p>	<p>Florida Roundtable</p>	<p>W/Dr. Hendershott: She gives her background as a professor of sociology. She then discusses how there is new science that suggest the dose of the coronavirus can affect how sick someone can get from the virus. She gives evidence that the viral load is key to understanding who gets sicker from COVID-19. This is why doctors are getting sicker from the virus than others. She also talks about how the demographics also play a role in who is more affected by the virus.</p> <p>30 minutes</p>	<p>Dr. Anne Hendershott: professor of sociology at Franciscan University.</p> <p>Jenny Martin: Organizer for Tea Party Patriots</p>	<p>April 18-19, 2020 7:00 AM</p>	<p>30 min</p>
<p>Coronavirus Information</p>	<p>Florida Roundtable</p>	<p>W/Dr. Kronhaus: He gives his background as a Doctor of Cardiology and as a researcher of the latest medical news and breakthroughs. He then talks about some of the possible treatments for the coronavirus and how the urgency of the problem creates some problems in finding those treatments. He also talks about why the country was taken off guard by the quick spread of this virus because of China's failure to warn the world. He then discusses why this virus is so contagious and infectious and mentions why certain people are more affected than others by the virus.</p> <p>30 minutes</p>	<p>Dr. Ken Kronhaus: Cardiologist at Lake Cardiology</p>	<p>April 25-26, 2020 7:00 AM</p>	<p>30 min</p>

<p>Coronavirus information and effects on the economy</p>	<p>Florida Roundtable</p>	<p>W/ Dr. Sinatra: He gives his background in medicine and cardiology. He discusses the latest we are learning about the virus, how it is more infectious but less lethal than originally thought. He also talks about why some people are getting very sick from the virus. He then gives some important information on how people can boost their immune health which will help your body fight against viruses like coronavirus. He talks about how diet, vitamins, and exercise are key to boosting your immune health.</p> <p>30 minutes</p>	<p>Dr. Stephen Sinatra: Cardiologist and immune health specialist</p> <p>Cecil Staton: President of the Asian America Hotel Association</p>	<p>May 2-3, 2020 7:00 AM</p>	<p>30 min</p>
<p>Coronavirus and China</p>	<p>Florida Roundtable</p>	<p>W/Carafano: Talks about why China is a concern and threat to the rest of the world as it rises as a global power. He discusses that the facts point to China being responsible for triggering the coronavirus pandemic. Believes they hid the real threat of the virus from the rest of the world. Also believes that our over-reliance on Chinese imports is a threat to US national security.</p> <p>30 minutes</p>	<p>James Carafano: Foreign Policy expert from the Heritage Foundation</p> <p>Dr. Carol Osborne: Veterinarian</p>	<p>May 9-10, 2020 7:00 AM</p>	<p>30 min</p>

<p>Coronavirus , lockdowns and mental illness</p>	<p>Florida Roundtable</p>	<p>W/Welch: Discusses is background in mental health and what his organization does to help those in the community with mental health issues. Talks about why they are getting more calls during the pandemic shutdowns from those who struggle with mental health issues. Also talks about why the shutdowns can negatively affect those with mental health issues, says the lack of social interaction causes problems with certain mental disorders. He also discusses how reopening can also be a problem for some after they've been shut in for so long.</p> <p>30 minutes</p>	<p>Eric Welch: Executive Director of National Alliance on Mental Illness of Greater Orlando</p> <p>Peg Phillips, Executive Director National Safe Boating Council</p> <p>Brian Rehwinkel, FWC Boating and Waterways Outreach and Education Coordinator</p>	<p>May 16-17, 2020 7:00 AM</p>	<p>30 min</p>
<p>Florida Environmental Policy</p>	<p>Florida Roundtable</p>	<p>W/Lindquist: Gives his background and how he got involved with the American Conservation Coalition. He also discusses what the organization does to help the environment. He then talks about the environmental threats to Florida and the people in the state in the future. He talks about some free market solutions to solving environmental issues in the state. It involves new technologies, spending on new infrastructure, and govt policy. He also discusses why many young conservatives are involved in environmental issues.</p> <p>30 minutes</p>	<p>Nick Lindquist: National Policy Director of the American Conservation Coalition</p>	<p>May 23-24, 2020 7:00 AM</p>	<p>30 min</p>

<p>Coronavirus and the economy</p>	<p>Florida Roundtable</p>	<p>W/Gibbons: Gives his background in business and Wall Street. Then talks about how Hertz Rent-a-car was already struggling but was really hurt during the shutdowns and now must file for bankruptcy. Believes that other big companies will have to do the same because of the pandemic. Also says the companies like Uber also hurt car rentals. Also discusses how everything in Florida's economy is related to the health of Disney World.</p> <p>30 minutes</p>	<p>Karl Gibbons: President of Third Eye Management.</p>	<p>May 30-31, 2020 7:00 AM</p>	<p>30 min</p>
<p>SpaceX and the future of Space Travel</p>	<p>Florida Roundtable</p>	<p>W/Salim: Gives her background and what inspired her to work with Virgin Galactic and why she loves things related to space travel. She believes the future is bright for space travel and space tourism. She gives her take on SpaceX leading the way in the new space age and private companies sending people to space. She talks about why it is a good thing private companies are getting involved in space travel. Also discusses some of the new technology of space travel including what Virgin Galactic is building for the future. Then she talks about what would be involved in sub-orbital space flight.</p> <p>30 minutes</p>	<p>Namira Salim: Founder Astronaut of Sir Richard Branson's Virgin Galactic</p>	<p>June 6-7, 2020 7:00 AM</p>	<p>30 min</p>

<p>Legal Analysis and Racial Issues</p>	<p>Florida Roundtable</p>	<p>W/Stimson: Gives his background as a homicide prosecutor and state attorney. He then discusses why the prosecutors in the Derek Chauvin case decided on the charge of third-degree murder and what that means. Gives his opinion on how it is a different process to charge and arrest a police officer as opposed to a regular civilian. He also talks about why the cell phone video will help the prosecutors to make their case and why this is an example for all officers to wear body cameras.</p> <p>30 minutes</p>	<p>Cully Stimson: Former Homicide Prosecutor</p> <p>Carole Lieberman: Psychologist</p>	<p>June 13-14, 2020 7:00 AM</p>	<p>30 min</p>
<p>Coronavirus information and PTSD Awareness</p>	<p>Florida Roundtable</p>	<p>W/Pitts: He gives his background in the FDA and what he now does through his organization the Center for Medicine in the Public Interest. He then explains why we have seen a rise in cases of coronavirus in Florida and the rest of the country. He says it is in part because of more testing, but also because of reopening the economy. He also talks about how treatments in the hospital are getting much better and saving lives. He then discusses the potential for creating a vaccine soon and discusses how plasma treatments are showing good results.</p> <p>30 minutes</p>	<p>Peter Pitts: Former FDA Associate Commissioner</p> <p>Gregg Laskoski - Communications Director for K9 Partners for Patriots</p>	<p>June 20-21, 2020 7:00 AM</p>	<p>30 min</p>

Coronavirus information	Florida Roundtable	W/Dr. Cauffield: She discusses the work she does with LSF health, which is contracted by the Florida Dept. of Children and Families. She talks about how the need for mental health and substance abuse help because of the pandemic. LSF health has many different options for people who need help, including telemedicine. She also explains how the pandemic and the social unrest can cause more problems in those with mental health issues. 30 minutes	Dr. Christine Cauffield: CEO of LSF Health Dr. Alisa Holland: Physician with Wellmed	June 27-28, 2020 7:00 AM	30 min
