The State of Wisconsin Educational Communications Board
Attached Reports Represent Q3, 2019**

ECB Radio Stations WLBL (AM/FM), WHAA (FM), WHAD (FM), WHBM (FM), WHDI (FM), WHHI (FM),
WHLA (FM), WHSF (FM) and WHWC (FM) are affiliates of the WPR Ideas Network

E

CB Radio Stations WERN (FM), WHWA (FM), WHND (FM), WHRM (FM), WHSA (FM), WPNE (FM),
WSSU (FM), and WSSW (FM) are affiliates of the WPR News and Classical Network

During the period, this station, as part of the network that makes up Wisconsin Public Radio, has served the public interest by producing and broadcasting diverse content which addresses national, statewide and regional issues. The following is a list of some of the produced or acquired programming or news stories aired in response to areas of concern to listeners served by Wisconsin Public Radio.

ISSUES OF COMMUNITY CONCERN:

- AGRICULTURE
- ECONOMY
- EDUCATION
- ENVIRONMENT
- HEALTHCARE
- POLITICS

Ideas Network

Quarterly Issues and Programs List
July to September 2019

AGRICULTURE	PROGRAM	DATE
Farm debt is expected to hit a record high this year and experts fear this could cause farmers to turn to predatory lenders. Learn about what farmers should look out for and strategies for managing their current debt. (Duration: 20 min, 57 sec)	The Morning Show	7/4/19 @ 6 am

<p>A recent report shows that prices for farmland in Wisconsin are rising. Hear about why and how this summer's wet weather is impacting corn growers in the state. (Duration: 9 min, 8 sec)</p>	<p>Central Time</p>	<p>7/8/19 @ 3:45 pm</p>
<p>Despite early excitement about the return of industrial hemp in Wisconsin, many farmers have experienced issues growing and selling the crop. Learn what they've been dealing with and the crop's prospects in the state. (Duration: 10 min, 24 sec)</p>	<p>Central Time</p>	<p>7/11/19 @ 3:15 pm</p>
<p>Farm bankruptcies in Wisconsin were the highest in the nation last year and the state lost nearly 700 dairy farms. A look at why - even in this environment - people want to become farmers and how they are reimagining farming to make it work. (Duration: 28 min, 42 sec)</p>	<p>The Larry Meiller Show</p>	<p>7/25/19 @ 11:45 am</p>
<p>Gov. Evers says he'll propose new rules that would limit fertilizer runoff from farm fields, as research in southwestern Wisconsin looks into the sources of well contamination. A geologist shares how nitrate pollution finds its way into our groundwater and where it's a big problem. (Duration: 11 min, 24 sec)</p>	<p>Central Time</p>	<p>8/2/19 @ 3:45 pm</p>
<p>A new report from the U.N.'s International Panel on Climate Change says the world needs to rethink the way it approaches agriculture and land use. Hear the details and implications for ag-centric places like Wisconsin. (Duration: 21 min, 34 sec)</p>	<p>Central Time</p>	<p>8/9/19 @ 4:30 pm</p>
<p>Wisconsin is the nation's leader in dairy goats and these animals are becoming even more common. Federal authorities estimate the state saw a 7 percent increase in dairy goats over the past year. Learn about this growing sector of Wisconsin's farm economy. (Duration: 34 min)</p>	<p>The Morning Show</p>	<p>8/12/19 @ 6:15 am</p>
<p>Amid tough economic conditions and a record-breaking streak of dairy farm closures, a new report finds that farmers are spending less on production costs. We break down the numbers and the possible reasons behind the spending decline. (Duration: 7 min, 19 sec)</p>	<p>Central Time</p>	<p>8/12/19 @ 3:30 pm</p>
<p>A new report shows that more than 40 Wisconsin family-farms filed for bankruptcy in the last year. We take a look at the issues farmers are facing and how the ongoing trade wars are contributing to their economic hardships. (Duration: 20 min, 58 sec)</p>	<p>The Morning Show</p>	<p>9/3/19 @ 6 am</p>

A recent Milwaukee Journal Sentinel story finds that executives from the Dairy Management Inc. earned millions while the farmers they were advocating for lost money or went out of business. (Duration: 12 min, 16 sec)	Central Time	9/11/19 @ 3:15 pm
--	--------------	-------------------

ECONOMY	PROGRAM	DATE
A conference on affordable housing being held in Eau Claire will focus on how housing costs impact education, employment and health care. Learn how the issues intersect and who affordable housing is really aimed at. (Duration: 22 min, 6 sec)	Central Time	7/15/19 @ 3 pm
A recent Wisconsin poverty report found, among other things, poverty rates for children in Wisconsin went down in 2017, while those for elderly rose. A look at some of the factors that have been contributing to more older people experiencing poverty and resources that can help with the problem. (Duration: 20 min, 48 sec)	Central Time	7/15/19 @ 4:30 pm
Gov. Evers announced he will be heading to Japan in September for a trade mission aimed at expanding Wisconsin's exports to the country. Hear about his goals for the trip and how it fits into the bigger picture of current U.S. trade relations. (Duration: 22 min, 32 sec)	The Morning Show	7/18/19 @ 7:30 am
The White House said it expects the budget deficit to reach \$1 trillion in 2019. Meanwhile, the national debt is more than \$22.5 trillion. Our guest says it's time for Republicans and Democrats to come together and make the tough choices to avoid a "debt-based calamity." (Duration: 21 min, 30 sec)	Central Time	7/18/19 @ 4:40 pm
Stocks plunged as trade tensions continue between the United States and China. Additionally, both Pres. Trump and the Treasury Department are now accusing China of being a "currency manipulator." (Duration: 9 min, 34 sec)	Central Time	8/6/19 @ 3:45 pm
Superior officials are trying to recover funds the city awarded an aircraft company before it failed to bring 600 jobs to the area. Learn about the bankruptcy proceedings and how this deal compares to Foxconn. (Duration: 9 min, 28 sec)	The Morning Show	8/7/19 @ 7 am

A grant in western Wisconsin is expanding to help more women start small businesses. We talk with the grant's founder about how the money will be used. Plus, we take stock of small businesses across Wisconsin. (Duration: 22 min, 27 sec)	The Morning Show	8/13/19 @ 6:30 am
Agriculture has been a driver of Wisconsin's economy for a long time, but low milk prices and an ongoing trade war with China are posing new challenges. An author of a new economic report discusses the role agriculture is playing today. (Duration: 21 min, 39 sec)	Central Time	8/13/19 @ 4 pm
New research shows that Wisconsin trails behind other states when it comes to new business development. Learn what factors might be contributing to the lack of startups and the potential impact this has on the state's economy. (Duration: 9 min, 38 sec)	Central Time	9/4/19 @ 3:15 pm
In 2007, the U.S. saw one of the worst economic downturns since the Great Depression. Most people took a financial hit from the Great Recession, but Millennials were defined by it. We talk to a journalist who argues that if, and when, the next recession happens, it could destroy Millennials. (Duration: 12 min, 58 sec)	Central Time	9/5/19 @ 3 pm

EDUCATION	PROGRAM	DATE
Educators and people passionate about gardening are meet in Wisconsin to foster youth gardening. Learn about what garden education looks like in schools and communities and what it teaches young people about the environment, science and leadership. (Duration: 21 min, 1 sec)	The Morning Show	7/11/19 @ 6 am
Children learn a lot at libraries and one Wisconsin chef is adding how to cook to the list. Hear how she shares information about healthy eating and cooking techniques with young people. (Duration: 8 min, 11 sec)	Central Time	7/22/19 @ 4:15 pm
As part of the state budget signed by Gov. Evers, Wisconsin public schools will get an additional \$570 million over the next two years. Learn how that money will be used and issues facing Wisconsin's K-12 schools. (Duration: 12 min, 48 sec)	Central Time	7/23/19 @ 3:45 pm

With the start of the school year approaching, we talk about the program that gives students free and reduced price school lunches and the disparities in the program across Wisconsin. (Duration: 10 min, 43 sec)	Central Time	7/31/19 @ 3:15 pm
An investigation finds that dozens of wealthy families are giving up custody of their children in order to get them need-based college aid. We talk with a journalist working on the project about the loophole and reaction from universities. (Duration: 11 min, 11 sec)	Central Time	8/5/19 @ 3:45 pm
For many students today, school safety drills, fortifications and school resource officers are a part of school life. But one expert says our approach to securing schools might not actually work. Hear what he thinks schools should do to ensure the safety of students and staff. (Duration: 9 min, 57 sec)	Central Time	8/16/19 @ 4:15 pm
Hear about a package of bills that would affect tuition and fees at Wisconsin's state universities. We also explore recent changes in the oversight of for-profit colleges and the effectiveness of campus safety phones. (Duration: 22 min, 30 sec)	The Morning Show	8/19/19 @ 7:30 am
Sports aren't the only things causing injuries to kids headed back to school. Physical therapists talk about avoiding problems caused by heavy backpacks and uncomfortable shoes. (Duration: 1 hr, 13 min, 27 sec)	The Larry Meiller Show	8/19/19 @ 11 am
A new report says the University of Wisconsin's flagship Madison campus is among the most affordable public universities in the country. Learn about the report and what it says about the UW system. (Duration: 7 min, 54 sec)	Central Time	9/9/19 @ 4 pm
New data shows nearly 60 percent of Wisconsin students in grade levels three through eight are not at the appropriate reading and writing level. Hear what the numbers mean and how they compare to years past. (Duration: 22 min, 32 sec)	The Morning Show	9/12/19 @ 7:30 am

ENVIRONMENT	PROGRAM	DATE
Wisconsin Democratic lawmakers are encouraging the state to commit to renewable energy with a bill that would create public funding for it. The state representative who sponsored the bill discusses the	Central Time	7/2/19 @ 3:30 pm

<p>future of renewable energy in the Wisconsin. (Duration: 9 min, 32 sec)</p>		
<p>The Madison Metropolitan School District adopted a resolution saying it aims to use 100 percent clean energy by 2040. Our guest explains what clean energy actually means and how schools can afford these changes. Plus, a look at other schools in Wisconsin taking action to use less energy. (Duration: 22 min, 25 sec)</p>	<p>The Morning Show</p>	<p>7/9/19 @ 6:30 am</p>
<p>A new study of Wisconsin's lakes finds that by 2100, the number of substantial fish die-offs is expected to quadruple. Hear the causes for the fish deaths and what the predictions mean for lake management today around the state. (Duration: 10 min, 46 sec)</p>	<p>Central Time</p>	<p>7/11/19 @ 3:45 pm</p>
<p>A facet of the federal Renewable Fuel Standard, the small refinery exemption, continues to get pushback. An agricultural economist shares the back-and-forth on this issue and what the effects are on the oil and biofuels industries. (Duration: 22 min, 32 sec)</p>	<p>The Morning Show</p>	<p>7/18/19 @ 6:30 am</p>
<p>In parts of July, much of Wisconsin went through a heat wave. Learn what climate change research says about how heat waves are expected to intensify in the state and where it'll get the hottest. (Duration: 11 min, 14 sec)</p>	<p>Central Time</p>	<p>8/7/19 @ 3:15 pm</p>
<p>The Bad River Band of Lake Superior Chippewa is one of the tribes receiving a federal grant for renewable energy projects. We talk with a tribal council member about what's planned and why working toward energy independence is important for the tribe. (Duration: 9 min, 31 sec)</p>	<p>Central Time</p>	<p>8/7/19 @ 4:15 pm</p>
<p>Our climate is changing - how will it affect your home? We talk with our home improvement expert about what you should consider doing now to protect your home as our weather changes. (Duration: 1 hr, 13 min, 40 sec)</p>	<p>The Larry Meiller Show</p>	<p>8/8/19 @ 11 am</p>

Our colleagues at WisContext spent time in several northern Wisconsin counties talking with communities about what challenges they face addressing damage from frequent flooding. We learn what they found and hear from a former Northland College professor who was one of the first people publicly sounding the alarm bell about the growing risk of flooding to infrastructure. (Duration: 22 min)	Central Time	8/15/19 @ 4 pm
We talk with Wisconsin's DNR secretary about the history of the department and his vision for its future. We also discuss his two top priorities - clean water and combating chronic wasting disease. (Duration: 39 min, 38 sec)	The Larry Meiller Show	9/11/19 @ 11 am
Brazil's portion of the Amazon rainforest is burning at the highest rate since 2013, when the country began tracking fires. We explore the cause of the fires and how politics play into the situation. We also discuss the foresting history and trends of the Amazon and why it should matter to Wisconsinites. (Duration: 11 min, 29 sec)	The Morning Show	9/11/19 @ 7:15 am

HEALTHCARE	PROGRAM	DATE
There is much to learn about the diseases caused by ticks. Hear about a new Wisconsin clinic that will diagnosis and treat, but also focuses on research. (Duration: 39 min, 30 sec)	The Larry Meiller Show	7/1/19 @ 11 am
When a major medical event, like a heart attack happens, much attention is placed on physical recovery. Learn about the psychological healing that also needs to take place. (Duration: 38 min, 4 sec)	The Larry Meiller Show	7/4/19 @ 11 am
While expected temperatures aren't sweltering enough for a heat advisory, it's going to feel pretty toasty and sticky this week, with the heat index expected to reach the mid-90s on Thursday and Friday. A look at how to stay safe and cool. (Duration: 9 min, 27 sec)	The Morning Show	7/16/19 @ 7 am
A new report from the U.S. Department of Health and Human Services points to serious deficiencies with hospice care across the country. Hear about the report's findings and what hospice care is like in Wisconsin. (Duration: 11 min, 15 sec)	Central Time	7/18/19 @ 3:30 pm

<p>A new report shows that nearly a dozen rural Wisconsin hospitals have stopped delivering babies in the last decade. Learn why this trend is rising and the challenges facing rural hospitals. (Duration: 22 min, 33 sec)</p>	<p>The Morning Show</p>	<p>8/1/19 @ 6:30 am</p>
<p>Eleven young people around Wisconsin have been hospitalized with severe lung disease and officials say the common link is vaping. Hear the latest about the state Department of Health Services' investigation into the incidents. (Duration: 11 min, 44 sec)</p>	<p>Central Time</p>	<p>8/5/19 @ 4 pm</p>
<p>It is estimated that one in four pregnancies ends in miscarriage. Even though it is common, understanding miscarriage and talking about it remains difficult for many. We talk with a psychotherapist about the physical and emotional toll of miscarriage and how we can support those who have experienced it. (Duration: 43 min, 32 sec)</p>	<p>The Morning Show</p>	<p>8/6/19 @ 7 am</p>
<p>A new Trump administration proposal would allow states, along with pharmacies and wholesalers, to import prescription drugs from Canada in an attempt to lower costs. Learn how the plan would work and what we know about similar efforts in the past. (Duration: 9 min, 28 sec)</p>	<p>The Morning Show</p>	<p>8/12/19 @ 6 am</p>
<p>Last year, most people who were eligible for a lung cancer screening did not get the correct test, according to the Centers for Disease Control. A radiologist explains barriers to lung cancer screening and what to know if you need to get tested. (Duration: 9 min, 27 sec)</p>	<p>The Morning Show</p>	<p>9/9/19 @ 6 am</p>
<p>Eyeglasses and other devices can help prevent many eye injuries. Learn about protective eyewear and eyeglasses for the visually impaired. (Duration: 33 min, 48 sec)</p>	<p>The Larry Meiller Show</p>	<p>9/10/19 @ 11:45 am</p>

<p>POLITICS</p>	<p>PROGRAM</p>	<p>DATE</p>
<p>The entrenchment of wealth, social status and political power has been one of the defining issues in American democracy. That's according to our guest, who discusses the historical struggle to dislodge established power structures and solidify new ones. (Duration: 21 min, 31 sec)</p>	<p>Central Time</p>	<p>7/4/19 @ 3:30 pm</p>

<p>Four Democratic presidential candidates plan to attend a Latino organization's annual convention in Milwaukee. Hear about the growing influence of Hispanics in the nation's electorate. (Duration: 9 min, 9 sec)</p>	<p>The Morning Show</p>	<p>7/10/19 @ 7 am</p>
<p>Partisan gerrymandering is often blamed when Democrats win statewide elections but struggle to build majorities in legislative bodies. However, our guest says the phenomenon goes much deeper, with geography and even railroads playing critical roles. (Duration: 44 min, 9 sec)</p>	<p>The Morning Show</p>	<p>7/11/19 @ 8 am</p>
<p>Ross Perot is considered to be the last successful third-party candidate when he took nearly 19 percent of the vote in 1992. In light of his passing, we look at the role independent candidates have played in presidential races and what kind of future they may have - if any. (Duration: 21 min, 6 sec)</p>	<p>Central Time</p>	<p>7/11/19 @ 4:30 pm</p>
<p>While many other countries have tightly controlled campaign windows for their national election, the American presidential election seems to begin immediately after the previous election comes to a close. A political scientist talks about how the modern presidential campaign became so long. (Duration: 20 min, 48 sec)</p>	<p>Central Time</p>	<p>8/5/19 @ 4:30 pm</p>
<p>Former Missouri Senator's commentary about Midwesterners and policy kicked off a debate on Twitter about how the Midwest is largely thought of as rural and white. A political scientist shares how the Midwest plays in politics and what lawmakers get wrong about the region. (Duration: 22 min, 37 sec)</p>	<p>Central Time</p>	<p>8/8/19 @ 3 pm</p>
<p>The head of Wisconsin's election agency discusses efforts to improve cybersecurity amid continued warnings of foreign interference in American elections. (Duration: 9 min, 27 sec)</p>	<p>The Morning Show</p>	<p>8/13/19 @ 7 am</p>
<p>Do politicians mirror what their constituents believe? Or does public opinion shift in response to lawmakers? A Wisconsin researcher examined these questions by looking at climate change skepticism and close gubernatorial elections. (Duration: 11 min, 30 sec)</p>	<p>The Morning Show</p>	<p>8/21/19 @ 7:15 am</p>
<p>The Great Recession upended politics and societies around the globe -- and we're still feeling the impact. That's according to a political researcher who says the big economic downturn changed the world in unexpected ways. (Duration: 21 min, 57 sec)</p>	<p>Central Time</p>	<p>9/5/19 @ 4 pm</p>

After arranging a secret meeting with Taliban leaders, Pres. Trump canceled talks to end the 18-year war in Afghanistan. Hear the latest on the conflict, why discussions fell apart and whether they can resume. (Duration: 12 min, 27 sec)	Central Time	9/9/19 @ 3:30 pm
--	--------------	------------------

NPR/Classical Music Network

Quarterly Issues and Programs List
July to September 2019

AGRICULTURE	PROGRAM	DATE
The value of Wisconsin farm land has remained strong over the last five years, according to a new report from University of Wisconsin researchers. (Duration: 48 sec)	BBC Newshour	7/5/19 @ 3 pm
Wisconsin farmers will receive an average of \$39 per acre on this year's crop under the U.S. Department of Agriculture's tariff relief program. (Duration: 47 sec)	Morning Edition	7/25/19 @ 6 am
The Burnett County Board has passed a one-year moratorium on large-scale farms. The move comes after a company called Cumberland announced plans to build a farm for up to 26,000 hogs in the town of Trade Lake. (Duration: 48 sec)	Morning Edition	8/2/19 @ 6 am
Several Wisconsin farmer groups say they agree with Gov. Evers' call for the Trump Administration to end the trade war with China. (Duration: 45 sec)	All Things Considered	8/13/19 @ 4 pm
Some Wisconsin crop specialists say soybean yield in the state may take a significant hit this year. (Duration: 47 sec)	Morning Edition	9/10/19 @ 6 am

ECONOMY	PROGRAM	DATE
Gov. Evers predicts Foxconn will continue to fall short of its hiring goals in Mount Pleasant. Evers spoke to CNBC recently after touring the site. (Duration: 46 sec)	BBC Newshour	7/9/19 @ 3 pm
Wisconsin's sales tax holiday on back-to-school supplies, which was touted by former governor Scott Walker, won't be happening this year. The Evers administration has done away with the idea. (Duration: 32 sec)	Morning Edition	7/30/19 @ 5 am

A housing study in the city of Barron shows zero available single family homes for sale and a lack of available rentals. Local officials are working on ways to encourage development in order to attract more workers. (Duration: 43 sec)	Morning Edition	8/13/19 @ 6 am
Wisconsin officials say there will be enough visitors to go around during the Democratic National Convention next summer. But Illinois is expecting an economic boon. (Duration: 47 sec)	All Things Considered	8/23/19 @ 5 pm
Foxconn plans to build a nine-story office building on its Mount Pleasant campus. This is one of four buildings shown on plans submitted to the village. (Duration: 38 sec)	BBC Newshour	9/12/19 @ 3 pm

EDUCATION	PROGRAM	DATE
Students attending University of Wisconsin colleges and universities would see fees and room and board rates increase next school year under a UW System budget proposal. The fee increases coincide with a six-year tuition freeze. (Duration: 44 sec)	All Things Considered	7/9/19 @ 4 pm
The elementary school in Mattoon, WI closed in 2016. Now a local nonprofit wants to buy the building. But a dispute about how it will be used has spiraled into a lawsuit over who has rights to the building itself. (Duration: 3 min, 44 sec)	All Things Considered	7/23/19 @ 4 pm
Republican legislators are re-introducing a bill that would punish students who interfere with campus speeches and presentations with suspension and expulsion. (Duration: 41 sec)	BBC Newshour	8/13/19 @ 3 pm
As school districts across the state are getting ready for another year, safety remains a top priority. Gov. Evers is reminding parents to discuss school safety with their kids. (Duration: 42 sec)	Morning Edition	8/28/19 @ 7 am
U.S. Education Secretary Betsy DeVos was in Milwaukee stumping for a \$5 billion federal tax credit that would fund scholarships to private schools. (Duration: 42 sec)	BBC Newshour	9/16/19 @ 3 pm

ENVIRONMENT	PROGRAM	DATE
-------------	---------	------

A University of Wisconsin-led project called CHEESEHEAD (Chequamegon Heterogeneous Ecosystem Energy-balance Study Enabled by a High-density Extensive Array of Detectors) is taking place in northern Wisconsin. The study seeks to provide a better understanding of how vegetation affects the atmosphere. (Duration: 48 sec)	Morning Edition	7/17/19 @ 6 am
Protecting Wisconsin's groundwater was the focus of a public hearing in Stevens Point. Lawmakers on a bipartisan task force convened the meetings in response to well contaminations in southwestern Wisconsin. (Duration: 50 sec)	Morning Edition	7/24/19 @ 6 am
WE Energies and Madison Gas and Electric plan to acquire the remaining power at the Badger Hollow Solar Farm. The farm, near Dodgeville, will be the largest of its kind in the Midwest. (Duration: 44 sec)	BBC Newshour	8/2/19 @ 3 pm
New research from the University of Michigan finds that Asian carp could become more widely established in Lake Michigan if the species makes its way into the Great Lakes. (Duration: 46 sec)	All Things Considered	8/13/19 @ 4 pm
A national report on addressing climate change is highlighting Dane County's efforts to reduce greenhouse gas emissions. (Duration: 53 sec)	Morning Edition	9/15/19 @ 5 am

HEALTHCARE	PROGRAM	DATE
A new Northwoods medical center will be dedicated to treating and studying Lyme disease and other tick-borne illnesses. It's under construction at the Howard Young Medical Center in Woodruff. (Duration: 46 sec)	Morning Edition	7/7/19 @ 6 am
The state health department is investigating after eight teens from southeastern Wisconsin were hospitalized with severe lung damage. (Duration: 38 sec)	All Things Considered	7/25/19 @ 4 pm
The Trump Administration wants to import drugs from other countries to potentially lower costs for consumers. It's something Wisconsin and other states have tried. (Duration: 48 sec)	BBC Newshour	8/6/19 @ 3 pm
A pair of bills from western Wisconsin lawmakers are aiming to create more mental health beds in the region. The goal is to limit costs of local governments transporting patients to Madison or Oshkosh in emergency situations. (Duration: 39 sec)	Morning Edition	8/22/19 @ 6 am
Nearly a third of Wisconsin residents are obese. That's from a group concerned about growing waistlines across the U.S. (Duration: 46 sec)	Morning Edition	9/12/19 @ 5 am

POLITICS	PROGRAM	DATE
<p>Democrats are pinning their hopes for redistricting changes in Wisconsin to a proposal at the state Capitol. The move comes after the U.S. Supreme Court said last month it wouldn't rule on when maps get too partisan. (Duration: 43 sec)</p>	<p>All Things Considered</p>	<p>7/11/19 @ 4 pm</p>
<p>Former governor Scott Walker says he won't run for statewide office in 2022. His announcement could open up the GOP fields for governor or U.S. Senate. (Duration: 47 sec)</p>	<p>All Things Considered</p>	<p>7/15/19 @ 4 pm</p>
<p>A conservative think-tank is suing Gov. Evers alleging his administration has blocked their reporters from media advisories and a press conference this year. (Duration: 44 sec)</p>	<p>BBC Newshour</p>	<p>8/7/19 @ 3 pm</p>
<p>Democratic special interest groups have raised five times as much in donations than their Republican counterparts. (Duration: 41 sec)</p>	<p>All Things Considered</p>	<p>8/23/19 @ 4 pm</p>
<p>Democratic state lawmakers unveiled a proposal to repeal one of the laws passed during December's lame-duck session of the Legislature. (Duration: 47 sec)</p>	<p>All Things Considered</p>	<p>9/5/19 @ 4 pm</p>
