Subject: [EXT] OPIF Not Allowing Licensees to Upload Documents

Hello, Jim -

I'm sure you're aware of this problem, but, I wanted to let you know that one of our clients began trying to upload its 2021 EEO Public File Report over the weekend and most of the day today without success. I offered to try it for them this afternoon/evening and received the same "experiencing technical difficulties" message repeatedly. I don't want this client to be held responsible for the untimely upload of this document. Do you have a recommendation?

Thank you for your consideration.

My best,

Dawn
