STATEMENT

The facilities described herein were inspected by me personally on **July 27, 2016**. The Licensee attested in writing on **September 12, 2016** that the deficiencies noted during that inspection have been satisfactorily resolved. *Therefore;*

X **The facility is in substantial compliance with Part 73 and Part 74 of the Federal Communications Commission's Rules. A 'Certificate of Compliance' is hereby recommended.**

_____ The facility has minor deficiencies as noted. After the licensee certifies via a formal inspection response letter, that the deficiencies have been corrected, a 'Certificate of Compliance' will be recommended.

_____ The facility has one major deficiency and several minor deficiencies as noted. After the licensee attests via a formal inspection response letter, that the deficiencies have been corrected, a 'Certificate of Compliance' will be recommended.

_____ The facility has a number of major deficiencies as noted. After the deficiencies have been corrected and notice has been provided to the inspector via notarized letter, a re-inspection must occur before a 'Certificate of Compliance' will be recommended.

Michigan
Association of Broadcasters
FCC Alternative Inspection Program

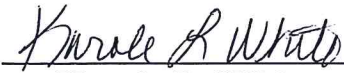

Certificate of Compliance

WPHM (AM), Port Huron

Pursuant to the Michigan Association of Broadcasters ("MAB") / Federal Communications Commission's ("FCC") Alternative Broadcast Inspection Program, established by Agreement between the MAB and the Enforcement Bureau of the FCC, the undersigned certifies that he has inspected Broadcast Station WPHM (AM), Port Huron, MI, and he has determined the station is in conformance with the applicable FCC Licensee requirements that are subject to review during a routine FCC Enforcement Bureau station inspection.

As of September 19, 2016, WPHM (AM) has successfully completed the Michigan Association of Broadcasters / Federal Communications Commission's 'Alternative Broadcast Inspection Program' and is certified as compliant with the applicable FCC Licensee requirements.

This executed MAB-ABIP 'Certificate of Compliance' will remain in full force and effect through September 18, 2016.
