In order to be true followers of Jesus, we should try to do everything for God's Glory. The best way to go about doing the next right thing. Usually the next right thing is serving others in some small or big way. He also talked about giving the Glory to God instead of taking all the credit. This mistake is caused by Ego.

Someone knocks unexpectedly on your door. What do you do? Do you let them in? Do you hide? If it's Jesus, he'll let you know. He's not trying to sneak up on you. He won't bust your door down. He knows he's got to give you a chance to come willingly to him. He knocks, but you have to let him in.
