On February 8, 2017, we sent a random audit letter to *Withers Broadcasting of Missouri, LLC*, in accordance with the provisions of 47 C.F.R. § 73.2080(f)(4) of the Commission's Equal Opportunity (EEO) rules. You have responded on behalf of your client, Dana R. Withers, licensee of station KREZ(FM), Chaffee, MO. Ms. Withers writes in her signed narrative dated March 27, 2017, that “The Withers’ employees who are involved with KREZ(FM), are part of an employment unit.” The six, above-referenced stations comprise that unit.

We have completed our review of your response and, thus, we find that no further action is required. In accordance with § 73.3526(e)(10) of the Commission's rules for commercial stations, or § 73.3527(e)(11) for noncommercial stations, a copy of this letter, our audit letter, and the audit response must be placed in the public inspection file of each station. The licensee must maintain these materials in the files until the next grant of the renewal application, by final order, of the license for which the file pertains.

2.

Should you have any questions regarding this matter, you may call the EEO staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,
