Brief description: Interview with Northern Neck Master Gardener, Henry Riely, who talked about the upcoming Gardening in the Northern Neck Seminar! Henry informed the listeners of the date and time of their seminar. (Sat., April 13th, Lancaster Elementary School, Kilmarnock VA) The theme for this year is "Creating Outdoor Spaces - Defining Your Lifestyle"! The guest speakers for this seminar are:

Mary Palmer Dargan, an award-winning author, professor, botanist and landscape architect with more than 40 years experience.

Barbara Ellis, a freelance writer, editor, lifelog gardener and the author of many gardening books including **Chesapeake Gardening and Landscaping**.

Lorraine Ballato, a professional horticulturist and the author of the book **Success with Hydrangeas**.

The cost is \$50 per person. Registration begins on Feb. 1st. You can download the form from www.nnmg.org. You can also call the Northumberland County Cooperative Extension Office at 804-580-5694.

Date of broadcast: January 22, 2024

Time of broadcast: 9:35am

Duration in minutes: 10 minutes

Program type: Interview

Issue: Conservation, **Virginia Energy Sense Program**

Brief description: Interview with Greg Weatherford, Deputy Director of Virginia Energy Sense. This program is the Commonwealth's energy education program under the guidance of the State Corporation Commission. It is designed to educate people on how to reduce their energy usage. For the second year in a row, about 3 in 4 Virginia electricity consumers say their electric bill has increased in the last year. Most report at 10 to 25% increase. Additionally, 80% say that saving money on their electric bill is "very important". That's why Virginia Energy Sense is here to provide consumer with quick ways to save on their electric bill.

During the winter, you can make a big difference by caulking and weatherstripping leaks and cracks around windows and doors. Air leaks and drafts are among the biggest money wasters. It could lower your energy bill by 20%! Another tip is to consider using electric blankets. They use 90% less energy than the average portable electric space heater.

Year-round you can take simple steps such as lowering the temperature on your hot water heater, replace incandescent lightbulbs with energy-efficient LEDs, which last 25 times as long. You can check out the home energy checklist on Virginia energy sense dot org. You'll also find information on incentives and rebates for energy-saving purchases and upgrades.

Date of broadcast: January 31, 2024

Time of broadcast: 9:35am

Duration in minutes: 10 minutes

Program type: Interview

Issue: Finances

Brief description: Interview with Beth Sharp from the Historic Downtown Tappahannock Association. Beth shared information on the new Downtown Dollars program! Downtown Dollars is a universal gift card that can be redeemed at all of the registered participants in the Downtown District. It's a mastercard that you would swipe and use to make purchases just as you would any debit, credit or other gift card. It's one card with many choices! As soon as you purchase the gift card it's ready for immediate use.

Small businesses are the backbone of any community. Downtown Dollars is a way to collaboratively support all of the small businesses to encourage economic growth in downtown Tappahannock.

With the launch of the program on Saturday, February 3rd at 10am, the first 100 people to purchase a \$100 gift card will receive \$200 in value. The first 50 people to purchase a \$50 gift card will receive \$100 and the first 25 people to purchase a \$25 gift card will receive \$50. It all takes place at their office at 315 Duke Street in Tappahannock.

Program type: Interview

Issue: Services for Seniors

Brief description: Interview with Michael Norvill with Bay Transit. Bay Transit recently executed a sponsorship agreement with VCUHealth Tappahannock Hospital that increases the hours of the "Rivah Ride" deviated fixed-route transit line in Tappahannock by one hour a day. Effective March 1, 2024, the Rivah Ride began operating from 7am to 4pm Monday thru Friday. Nine hours of service each day and feel it will increase customer access to healthcare work educational opportunities and shopping in Tappahannock. Thanks to the partnership with VCU Health, the cost of a ride on the Rivah Ride remains only \$1. A new bus shelter has also been added. This one is located at the VCU Health Tappahannock Hospital Medical Office Buildings. If you need transportation, beyond Tappahannock (within the 12-county service area) is to call 877-869-6046 at least 24 hours prior to your travel time to make a reservation. The cost to ride is only \$2 per boarding. All buses are wheelchair accessible. Regular riders can save money by purchasing 10 tickets for only \$12. This is a 40% savings on the \$2 fare. Learn more at www.baytransit.org.

Program type: PSA

Issue: Safety/Environment

Brief description:

The Virginia Burn Law is from February 15 through April 30 of each year, no burning before 4:00 p.m. is permitted, if the fire is in, or within 300 feet of, woodland, brushland or fields containing dry grass or other flammable material.

Since forest fuels cure during the winter months, the danger of fire is higher in early spring than in summer when the forest and grasses are green with new growth. The 4:00 p.m. Burning Law is an effective tool in the prevention of forest fires. Localities may have more restrictive outdoor burning laws. This 4pm Burning Law reminder is courtesy of the Virginia Dept. of Forestry.

Date of broadcast: February 18 – February 25, 2023
