**DESCRIPTION: NY-BODY PARTS ARREST**

**REPORTER: MARIA CELESTE**

A Brooklyn woman was accused of murdering the mother whose body parts were found in different areas of Long Island at the beginning of the month.

According to authorities the suspect lived at the victim's address. Their theory is that the suspect pretended to be the owner of the building and collected rent, however when the victim discovered her lie she confronted her and the discussion ended with death.

**DESCRIPTION: IMMIGRATION FRAUD – MONEY**

**REPORTER: MARIA CELESTE**

There are 2 million dollars available for immigrants in New York who have been scammed by two organizations that were supposed to help them. The problem is that the deadline for a request is October 23<sup>rd</sup> and many people have not done it. It is being requested that those affected submit the application and contact pro-immigrant groups for any questions or concerns.
