On January 27, 1998, WMSN-TV was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until December 1, 2005.

Our license will expire on December 1, 2005. We have filed an application for renewal with the FCC.

A copy of this application is available for public inspection during our regular business hours. It contains information concerning this station's performance during the last eight years.

Individuals who wish to advise the FCC of facts relating to our renewal application and to whether this station has operated in the public interest should file comments and petitions with the FCC by November 1, 2005.

Further information concerning the FCC's broadcast license renewal process is available at 7847 Big Sky Dr., Madison, WI 53719 or may be obtained from the FCC, Washington, D.C. 20554.
