Subject: Request for Exemption

Dear Elizabeth and Lynn,

On behalf of Radio License Holding CBC, LLC, licensee of Station WNKT(FM), Eastover, South Carolina (Fac. ID #38900), I am writing to request an exemption from the requirements outlined in the FCC's first 2022 EEO Audit Letter dated March 21, 2022.

Station WNKT is part of a larger station employment unit based in Columbia, South Carolina (the "SEU"). The WNKT Renewal of License application as well as the renewal applications for all of the stations in the Columbia SEU of which it is a part were **granted on July 23, 2020**. The FCC EEO Audit letter states that, if "the most recent license renewal application(s) applicable to the Unit were granted after June 1, 2020, send an email to EB-EEO@fcc.gov for additional guidance on whether a response is required." Since all of these renewal applications were granted AFTER June 1, 2020, the Licensee would like the FCC to consider excusing this SEU from responding to the EEO Audit Letter.

Thank you for your consideration of this request.

I thank you in advance for your consideration of this request.
