

CALM Act Certification

Pursuant to Section 76.607 of the Federal Communication Commission's rules, LAFF hereby certifies that all commercial advertisements embedded in programs distributed by LAFF are in full compliance with the loudness control practices contained in Advanced Television Systems Committee (ATSC) A/85: Recommended Practice: Techniques for Establishing and Maintaining Audio Loudness for Digital Television ("ATSC A/85 Recommended Practice") at the point of distribution by LAFF to downstream video programming distributors.

LAFF determines and certifies compliance with the ATSC A/85 Recommended Practice through the use of equipment and associated software that is installed, utilized and maintained in a commercially reasonable manner.
