My name is Taryn Fusco and I wanted to reach out about the recent events in the Ukraine – the conflict has intensified, posing an imminent threat to 7.5 million children, who are in need of basic services. Unless fighting subsides, tens of thousands of families could be forcibly displaced. UNICEF is scaling up its emergency response inside the country while also racing to meet the urgent needs of vulnerable children and families on the move as they stream into neighboring countries.

This crisis is escalating quickly, and we could use your support by airing our video or audio PSA on your channel. Please help us reach every child affected by this conflict.

Salute to American Veterans Scheduled for Friday, March 18th

CONWAY, S.C. – Area military veterans and their families, friends, and supporters are invited to the 17th annual Salute to American Veterans, which is scheduled for 7:30 p.m. Friday, March 18th at Wheelwright Auditorium on the campus of Coastal Carolina University. The event is free to the public.

Complimentary tickets to the Salute to American Veterans will be available at the Wheelwright box office on the evening of the event on a first-come, first-served basis. Tickets may also be obtained on-line at tickets.coastal.edu. Complimentary advance tickets are now available from the Wheelwright Auditorium box office Monday through Saturday from 9 a.m. until 8 p.m., and on Sunday from 1-8 p.m. The event is sponsored as a public service by Goldfinch Funeral Home, HTC, Joseph Sanders Dentistry of Conway, and Coastal Carolina University.

The event, which is designed to honor veterans of the U.S. Armed Forces, will feature patriotic music, presentation of the colors by a color guard, a performance of the historic service branch anthems, and recognition of veterans by service branch and era. It also includes the premier of a new documentary film: *Soldier Stories: Valor in Vietnam*, which chronicles the common experiences

of Americans in uniform during the Vietnam War through historic combat footage, period photography, and personal commentary by local Vietnam veterans and others.

“We invite all veterans to attend this event as guests of honor,” said Meghan Goldfinch, whose firm is one of the program’s sponsors. “We also invite their families and friends – and all members of the community – to participate in this special event as a way of expressing our appreciation for the men and women who have worn the uniforms of our armed forces.”

The annual Salute to American Veterans was rescheduled from its normal presentation on Veterans Day due to Covid restrictions, and the March 18th presentation was selected to recognize National Vietnam Veterans Day, which occurs during the month of March. The auditorium opens for the event at 7 p.m.

Subject: Help Us Fight Performance Tax Legislation – Air Spots Now
To: <dharlow@dbcradio.com>

The NAB Radio Board of Directors has unanimously approved an on-air campaign to fight against the imposition of new performance fees on local radio, and we need your help.

NAB is asking radio stations to air spots opposing performance fee legislation as often as possible starting immediately and through the **August Congressional recess**, which ends September 6.

The record labels are aggressively pushing the so-called American Fairness Music Act (AMFA) – legislation that would funnel resources away from local radio stations and into their own pockets. We expect the House Judiciary Committee, chaired by longtime performance tax proponent Jerry Nadler (NY-10), to consider and most likely pass this bill out of committee in the coming weeks.

To stop the bill from going further than this committee, we are urging every station to join us in this campaign. NAB has also cultivated strong opposition to a performance tax in Congress: more than **230 members of Congress** are cosponsoring the Local Radio Freedom Act – a bill that opposes a performance tax on local stations.

The :30 spots, available in English and Spanish, include a **call to action** for listeners to make their voice heard with Congress. NAB is also providing scripts, talking points and digital assets to help stations voice radio's opposition to the AMFA and its harmful impact on listeners.

Because this is an issue ad, the Federal Communications Commission requires your station to fill out a PB-19 form and place it in your station's political file within 24 hours or one business day. Please make this a priority.
