

WNBC

QUARTERLY

ISSUES REPORT

January/February/March 2016

Quarterly Issues and Programs Report

Through formal and informal ascertainment of the general public, community leaders, public officials – inclusive of different ethnic organizations and service organizations, the following list emerged as issues needing media attention and support. The programs produced to meet the needs of the public included locally produced shows.

Community Issues

Accidents and Disasters	Funerals and Memorials
Children & Youth	Health and Medical
Court and Legal Decisions	Housing
Crime and Law Enforcement	Poverty
Deaths	Religion
Education	Safety
Elderly-Seniors-Retirement	Transportation

Regularly Scheduled Programs

Our locally produced, regularly scheduled programs are aired specifically to address community issues, concerns and needs. The programs are as follows:

News 4 NY – Daily Local News Programs

WNBC's daily newscasts devote considerable time to local issues and community problems. Regularly scheduled newscasts include:

Program	Time	Days
Today in New York	4:30am -7:00am	Monday-Friday
News 4 NY at Noon	12:00pm-12:30pm	Monday-Friday
News 4 NY at 5:00pm	5:00pm-5:30pm	Monday-Friday

Description Police investigated if two officers wounded in a shoot out in Brooklyn yesterday were hit by friendly fire. Police say the incident began when the suspect fired a shot at an MTA worker dressed in his uniform. They said the suspect then pointed the weapon at the Housing Officers. When anti-crime police responded the suspected led police on a chase and crashed into a patrol car then started shooting.

Description In New Jersey Democrats are ramping up efforts to raise the state's minimum wage to 15 dollars an hour. Lawmakers, labor and anti-poverty activists gathered at the State house calling for broader policies to address poverty in the garden state. The current minimum wage in New Jersey is eight dollars and thirty eight cents an hour. Lawmakers say they can increase it without making it a ballot question.

Description	On his final day in Mexico, Pope Francis celebrated mass the U-S Mexico border and he made an emotional plea about the controversial issue of immigration. In the city of Juarez, the Pontiff urged the world to recognize the plight of those who risk their lives to flee violence and poverty. He asked for people to have open hearts, calling the "forced migration" of thousands of Central Americans "a human tragedy."

Description	Hillary Clinton is trailing Senator Bernie Sanders in the polls heading into Tuesday New Hampshire primary. There were fireworks during last night's MSNBC debate where both candidates picked up their on going feud over which one is a true progressive. Sanders even pushed back against claims that free universal health care and free college education are budget busters.

Description	New York City's Charter school students and their parents took a road trip to Albany to ask for more funding. In Albany, they met with lawmakers and state education officials at the annual "Charter School Advocacy Day." The parents want charter schools to receive the same funding as traditional public schools. At the moment, charter schools only get 75 cents for every dollar public schools receive.

Description An employee at an after school program in Queens is out of job accused of encouraging students to fight. The video popped up on Facebook and it shows two students at IS 53 throwing punches as the employee, Marcus Cruz allegedly eggs them on. The Department of Education says Cruz worked for a separate program and not for the school. The father of one of the students in the video says the school is responsible and is he is considering a lawsuit.

Description	New York City's Public Advocate filed another lawsuit against the City's Department of Education. In the suit, Letitia James claims the DOE fails to provide children with disabilities a free and appropriate public education. The lawsuit specifically targets the DOE's "Special Education Student Information System" - which was developed in 2009 under the Bloomberg Administration. James claims the data system is not properly tracking students with disabilities. This is the second suit James has filed against the

Description	Students are headed back to school at P.S. 58 on Staten Island after 12 children got sick from suspected norovirus. Workers spent the weekend scrubbing the school down. The Department of Education says crews sanitized all surfaces, toilets, sinks and water fountains. A few parents questioned the school's response saying they found out about the illness on Facebook before hearing from officials.
