PUBLIC AFFAIRS PROGRAMS FOR 2nd QUARTER 2020

Because of the Coronavirus Pandemic we ran a National I Heart Program with experts in their field “Coronavirus Explained.”

“Sunday Morning Magazine” cart #50764

June 14, 2020
Aired 6am to 6:30am

30 minute program
Issues Covered: Home Ownership, Housing, Economic Issues.
Guest: Tosha Herron Bruff the Vice President of Government Relations for Dallas Area Habitat for Humanity.
Topic: The month of June is National Homeownership Month. It is a time to reflect on the impact that home ownership has on a family, a neighborhood and on the economy as a whole but for many the dream of homeownership seems beyond their reach and that is where nonprofits like Habitat for Humanity can help. Habitat for Humanity works with families to find a path to home ownership with the clients of Habitat putting in their own sweat equity to get in to a home but also they need to prove that they have good credit and that they make enough to sustain a home. Habitat has education classes for families even those who don't qualify to get a home can learn how to take steps to get in to a home and how to maintain a home and during Covid 19 the classes have gone virtual and coming up on Saturday, June 27th Habitat will have a virtual Home Ownership Meeting for anyone in the metroplex looking to purchase a home. We also talked about the advocacy that Habitat does with lawmakers at the state level and the national level to make sure that there is affordable housing in cities and how the issue of affordable housing impacts the economy with many companies deciding not to move to an area if there isn't enough affordable housing for their workforce.

June 21, 2020
Aired 6am to 6:30am
30 minute program Issues Covered: Men's Health and Education and Community Involvement.
Guests: Dr. Parth Shaw with USMD Fort Worth Hospital
Topic: Today is Father's Day and Dr. Parth Shaw joined me to talk about men's health issues and what all men need to know about taking care of their health especially during the age of Covid 19. We talked about signs and symptoms of heart disease and cancers that affect men like prostate cancer, testicular cancer. We also talked about low testosterone levels or Low T and how it can affect men in different ways and what to do if you have Low T and we also talked about mental health issues and stress reducers for men and the part that families play in making sure that the men in their lives take care of themselves.

June 28, 2020
Aired 6am to 6:30am
30 minute program
Issues Covered: Support for Law Enforcement
Guest: Sgt. Mike Mata the President of the Dallas Police Association
Topic: It is the Sunday before the 4th of July and as we all get ready to celebrate our nation's independence we also need to reflect on the freedoms we enjoy thanks to the sacrifices that our military and their families have made but we are also faced with a new reality in the age of Covid 19 and in the age of racial injustice protests that have been taking place over the past month around the country. Sgt. Mata joined me to talk about the measures that police are taking to make sure that they are doing their part to end police brutality and the work that they are doing to make sure that communities are safe. We talked about the grievances that people have with police and we talked about the ways that police are bridging the gap. We also talked about policing in the age of phone video and the defund police movement which he says police are for if it means that they will not have to deal with social issues like mental health crisis calls or calls to deal with a child who isn't doing their homework. He talked about how police are being asked to do to much instead of protecting the community and law enforcement. We talked about working with social service agencies but the cost and how communities need to do their part as well.
