For over a century, The City Mission has provided help and hope to Cleveland's hurting and homeless. They work to meet the basic human needs of food, shelter, and caring. In an effort to adapt to the changing needs of the community, they developed programs that can be tailored to the specific needs of each individual they meet. The City Mission hosted the Stand In on June 29th, 2019 to bring awareness to the nearly 3,000 homeless youth in the Cleveland Metropolitan School District. (This was an interview update to the original.)

Since 2011, Operation S.T.A.T has been on the front line serving our Veterans. Operation S.T.A.T. believes that our Veterans should never be forgotten. They've heard too many stories of Veterans going months between seeing someone other than a doctor or nurse. They honor the brave men and women who served selflessly to protect the freedoms that are often taken for granted. They also enhance healing of the mind, body, and spirit by providing events in and out of the hospital for all veterans nationwide.
