

WCHX Hometown Happenings

WCHX/WKVA/WVNW supports community non-profit organizations by broadcasting notices of fundraiser events throughout the year on our “Hometown Happenings” feature. “Hometown Happenings” features are broadcast several times each broadcast day. Attached are flyers or mailings from different non-profit groups which were used to produce the on air announcements during the first quarter of 2024.

See Exhibit #1 and Exhibit #2 for information on public service events advertised this quarter.
