Re: KSNB-TV, Superior, Nebraska, (Facility ID# 21161)

Dear Ms. Burrow:

We have completed our review of the response of Collins Broadcasting Company, as licensee of the above-referenced television station, to the February 16, 2012 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required. In accordance with Section 73.2526(e)(10) of the Commission's rules for commercial stations or Section 73.3527(e)(11), for non-commercial stations, the station must place copies of this letter, our February 16 audit letter, and the station's response in its public inspection file. It must maintain these materials in the file until the grant, by final order, of the next renewal application of the license for the station.

Should you have any questions concerning this matter, you may call the EEO staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,
