

**QUARTERLY CERTIFICATION OF COMPLIANCE
WITH COMMERCIAL LIMITS IN CHILDREN'S PROGRAMMING
SECOND QUARTER 2017**

During the 2nd quarter of 2017, WFFF-TV complied with the commercial limits and website rules in Children's Programming as set forth in FCC 47 C.F.R. section 73.670.

During the period of April 1, 2017 through June 30, 2017, WFFF aired six weekly syndicated children's programs originally produced and broadcast primarily for an audience of children 13 to 16 years of age on 44.1. These programs were not required to conform to the above referenced rules because the programs were all originally produced and broadcast primarily for an audience of children older than 12.

During the same period WFFF aired six weekly syndicated children's programs on 44.2 and six weekly syndicated children's programs on 44.3. All twelve programs were originally produced and broadcast primarily for an audience of children 13 to 16 years of age. These programs were not required to conform to the above referenced rules because the programs were all originally produced and broadcast primarily for an audience of children older than 12.

I hereby certify that WFFF complied fully with the FCC's commercial limits and website rules with respect to all children's programs broadcast during the second quarter of 2016 that were subject to the requirements as set forth in FCC 47 C.F.R. section 73.670.
