

Community Issues Report – WPNW

July 2023 – September 2023

Issue: Support of children in foster care

Station Response:

We hosted a teddy bear drive, asking our listeners to help us collect new teddy bears that were then donated and will be given to children that are entering their first night of foster care after being removed from their homes.

Issue: Feeding the Hungry

Station Response:

We heard about a local student who was making it his mission to collect as many boxes of mac & cheese as he could to be donated to feed the hungry in his community! His goal was 500 boxes. We surprised him with 500 boxes and helped him collect over 1,000 boxes and some cash donations that were then delivered to Hand 2 Hand Ministries.
