

COMMUNITY ISSUES REPORT – WPNW

January 2017 – March 2017

Station Response:

Once a month a handful of station employees go to Compassionate Heart to volunteer. Compassionate Heart is a mission that works with teens and young adults that have mild to moderate disabilities. It is a drop in program that works with these youth through various activities and mentor programs. When our employees are there volunteering they help prepare and serve dinner.

Station Response:

Donated \$65 worth of prizes to the Tri-Cities Home Education Organization for their fundraiser towards having a prom for their senior class.

Station Response:

Worked along side Glenda's Lakewood Flowers in ensuring that every chemo patient with Cancer & Hematology Centers of West Michigan received a carnation on Valentine's Day.
