

## **Community Issues Report – WPNW**

*July 2016 – September 2016*

**Issue:** Homeless

**Station Response:**

We interviewed Mike on the recent \$40,00 grant to Holland Rescue Mission for their new Gateway Center. The Gateway Center will be a place that provides real-life job training through the creative enterprises of thrift, café, and bakery, donation processing, and lean manufacturing for people who struggle maintaining long-term employment.

**Issue:** Women's Health

**Station Response:**

Dr. Jessica Hafner came on the show to promote the women's health night happening at Holland Hospital. Letting the community know about the event and the different things that they could learn from it.
