

Community Issues Report – WPNW

April 2023 – June 2023

Issue: Those living with disabilities

Station Response:

We gave support and encouragement to young adults living with disabilities. We partnered with our neighbors at Compassionate Heart Ministries to throw them a foam party and provide ice cream treats. We wanted to encourage and bring joy to them!

Issue: School staff

Station Response:

In recent years schools have become a harder place to work and less people desire those jobs. We supported different teachers, administration and bus drivers at the end of the school year with gift baskets, a mini birthday party and small gifts to thank them for the work that they do and the impact that they are having on our kids.
