

Community Issues Report – WPNW

January 2016 – March 2016

Issue: Cancer

Station Response:

We had the American Cancer Society on the air in January to kick off the new year and educate listeners on different things and the ways that American Cancer Society is working. Specifically, what they do and the different ways that people who want to be involved can get involved.

Issue: American Heart Month

Station Response:

Timothy Smith from the Ottawa County Central Dispatch Authority talked about Smart911, and reaching out to people of the community, doctors and workers in medical facilities about emergencies related to heart conditions, heart attacks and other heart-related incidents.
