

Community Issues Report – WPNW

July 2022 – September 2022

Issue: Teacher Shortage

Station Response:

We made gift baskets and dropped them off at local schools for the new year to encourage teachers and administration and thank them for all that they do!

Issue: Mentoring Kids

Station Response:

We took a group of kids from the Boys and Girls Club in Holland to Grand Rapids for their first Whitecaps baseball game! Treated them to food and a fun night out!

Issue: Poverty

Station Response:

We teamed up with Community Reformed Church and Feeding America to help pack groceries for those in need in our community!
