

Community Issues Report – WPNW

January 2023 – March 2023

Issue: Kids Fighting Cancer

Station Response:

We partnered with a non-profit that provides Joy Jars to kids that are currently staying in the hospital during their battle with cancer. We invited listeners to come alongside us and them all during the month of January to purchase jars that would then be delivered to hospitals around the country, including our local hospital, Helen DeVos Children's Hospital.

Issue: Firefighters

Station Response:

In 2022 we helped a family who had lost everything in a house fire. In February of this year we had the opportunity to take them along as we went and blessed the 5 fire departments that showed up to fight the fire in their home and thank them for the incredible work that they do every single day.
