

To Whom It May Concern:

Section 73.1870 of the Federal Communications Commission's Rules and Regulations requires each radio and television broadcast station to appoint a Chief Operator. This person so designated is charged with certain specific responsibilities under this section of the rules.

Effective February 20, 2019, Les Seelye is designated as Chief Operator. Reb Brownlow is designated as Alternate Chief Operator and will serve in the absence of the Chief Operator.

This designation is pursuant to the above FCC rules.
