Mothers and Sons: Being a Godly Influence (Part 2)- Bill and Vicki Rose discuss how their marriage suffered in its early years as a result of substance abuse, infidelity, and an unhealthy focus on their careers, which led to them separating. They describe how they eventually found faith in Jesus Christ, which restored their relationship, and how God has sustained them.

We Will Not Be Silenced (Part 1)- The secular left doesn't believe that America can be repaired. Instead, they say it must be destroyed and then replaced. But with what? We know that they are sympathetic to a "cultural Marxism" which would curb free speech, increase government control, destroy the nuclear family, and be hostile toward Christianity. But Dr. Erwin Lutzer, author of *We Will Not Be Silenced: Responding Courageously to Our Culture's Assault on Christianity*, urges Christians to advocate for truth with gentleness.

The Joy of Good News (Part 1)- When Christian humorist Ken Davis was in high school, it was painfully obvious that he didn't fit in, especially with the "popular" kids. By his own description, he had the hand-eye coordination of a carp. But after excelling at public speaking, he learned that he could live with having nothing to prove because his value as a person was forever established on the cross of Jesus Christ. Now he wants you to have the same level of peace.

Tribute to A Praying Mom- Fern Nichols was at her wit's end, trying to deal with a rebellious, wayward son. Though in despair because of Ty's worldly choices, she stayed on her knees in prayer for him. A former teacher and founder of Moms in Prayer International, Fern understood the power of Deuteronomy 3:22, which declares, "Do not be afraid; the Lord your God Himself will fight for you." Thankfully, Ty was transformed by her prayers and God's love, which brought him to repentance.

Connecting with Your Kids in the Age of Digital Disconnection- In 2021, having the old "birds and bees" conversation with your kids is no longer sufficient. In this age of smartphones, you'll also need to talk with your teen about the dangerous world of sexting and pornography. David Eaton, founder of Axis, urges parents to consider giving their teens a Gabb cell phone, which can only call, text without pictures, and use GPS. Additionally, thanks to the Axis website, which features over 300 parent-empowering resources, you can develop an ongoing conversation to connect with your teen's mind and heart.
