October 7, 2023	Ending Systemic Poverty in the South	<p><u>Host:</u> Jay Rudolph <u>Guest:</u> Pastor Billy Humphrey, Founder & Executive Director, City of Refuge Baltimore, (Baltimore, MD). www.cityofrefugebaltimore.org <u>Description:</u> In the Baltimore area, a faith-based non-profit called City of Refuge Baltimore (CRB) seeks to address the root causes of systemic poverty. Two of the challenges people face in Maryland are the high-cost of living in Maryland, especially the cost of housing. It's a problem for those on fixed incomes, as well as the working poor. After paying the bills related to the house and car, people have little left for food. They're not eating healthy or quality foods. CRB exists to bring light, hope and transformation. Ultimately, they want to be a one-stop shop for people in poverty and crisis. Through supportive services fueled by innovation and a collective impact approach, CRB seeks to lead individuals and families on a journey to self-sufficiency, guiding them along the way to help.</p>
October 14, 2023	Helping the Homeless Near Pine Castle Sky Lake	<p><u>Host:</u> Jay Rudolph <u>Guest:</u> Fred B. Clayton, President/CEO, Orlando Union Rescue Mission, (Orlando, FL). www.ourm.org <u>Description:</u> For 75 years, the Orlando Union Rescue Mission (OURM) has been there for those who are in need of shelter and a place where they can find the hope only Christ can give. There is an increasing number of homeless in the Orlando area. The OURM provides more than just relief. They equip the homeless for long-term independence and self-sufficiency built on a personal relationship with Christ. More than a homeless shelter, the goal is to have God transform their lives so they become independent and self-sufficient for the long term. OURM's life-transforming services are designed to address every area of need (physical, emotional, social, and spiritual) so those who were once hungry, hurting and homeless can become filled, restored, and secure. The mission shares God's love with those who are desperately in need in central FL.</p>

		<p><u>Description:</u> In this discussion of how Habitat for Humanity helps to address the crisis of lack of affordable housing, while the American dream is home ownership, a chief concern in most of the country is affordable housing. Habitat for Humanity (HH) builds strength, stability and self-reliance through shelter. They believe that everyone deserves a decent place to live, and that everyone can do something today to make it possible for another family to have a decent place to live. Seeking to put God’s love into action, the mission of Habitat is to bring people together to build safe, affordable homes, communities and hope. More and more of people’s household budgets is going towards housing. Habitat affiliates bring people together to address the very human need for shelter. Habitat for Humanity’s vision is a world where everyone has a decent place to live.</p>
October 28, 2023	Transitioning Back Into Society in Florida	<p><u>Host:</u> Jay Rudolph <u>Guest:</u> Lester Berry, Executive Director, Joshua’s Promise Ministries, Inc., (Indiantown, FL). https://joshuaspromise.net/index.html <u>Description:</u> Joshua's Promise Ministries, Inc. (JPM) is a Christ-centered ministry operating for the purpose of discipleship for those coming from the results of personal traumas, addictions and incarceration. The need became obvious when JPM had an opportunity to work in corrections. God did incredible work once people stopped their criminal lifestyles. Since people believed that there was a quick and easy answer to their problems, there were tremendous increases in the rate of relapses and death. Most who come from addiction have been isolated in a drug lifestyle. They are comfortable with their peers, but the peers are not good for them. Committed to helping those coming out of addiction, incarceration and life-controlling problems to claim the promise of God to possess a life worth living, JPM provides biblical instruction, life skills training, transitional housing, and help finding placement back into the community and society. It is a very highly structured, very involved discipleship program. Ultimately, the purpose is learning to live a godly life.</p>

December 2, 2023	Mental Health Support for Southern Christians	<p><u>Host:</u> Jay Rudolph</p> <p><u>Guest:</u> Pastor Josh Turansky, Founder, Haven City Church, (Baltimore, MD). https://www.baltimorechurch.com/mentalhealth and https://www.baltimorechurch.com/</p> <p><u>Description:</u> People are walking around with an incredible amount of pain, with much fear, anxiety, anger and depression being felt. Haven City Church in Baltimore seeks to counsel and provide help for those struggling with mental health issues. However, there is a stigma among some Christians that when you become a follower of Jesus, all of your problems will go away. Yet people continue to experience brokenness. Our guest maintains that God uses practical means like therapists and counselors to clear out some of the brokenness in people’s lives. Many non-Christians have walked in the common grace of God and have answers and solutions to anxiety and fear. God can work through a variety of means to bring about a restoration in one’s emotional state so that the individual is capable of receiving grace in his or her life to be an obedient disciple and experience better mental health.</p>
December 9, 2023	Helping the Needy in Florida through the Salvation Army	<p><u>Host:</u> Jay Rudolph</p> <p><u>Guest:</u> Captain Ken Chapman, Co-Area Commander, Salvation Army of Orange & Osceola Counties (Orlando, FL). https://orlando.salvationarmyflorida.org/</p> <p><u>Description:</u> The Orlando Salvation Army helps out at the holidays with presents and adequate food and clothing. Every cent collected through the Salvation Army’s Red Kettle Campaign is a building block towards a stronger, healthier community, with the funds supporting crucial services all year long. The donations are used to fight hunger, provide housing, and offer a beacon of hope to those in dire need. There has been a large increase in people needing help this year, so a successful campaign is critical. People are needed to ring the bells and can volunteer online. With their time and talent, the campaign can be successful. The Angel Tree program serves 5,000 children and 1,000 seniors, many who sometimes feel forgotten and left behind. People can adopt an Angel online. The community has been wonderful and made it very successful, as they share the love, grace and mercy of Jesus.</p>

December 30, 2023	Recovery Church Helps Those Experiencing Addiction in Florida	<p><u>Host:</u> Jay Rudolph <u>Guest:</u> Lyle Fried, Pastor, The Recovery Church Treasure Coast, (Port St Lucie, FL). https://www.recovery.church/church-location/treasure-coast <u>Description:</u> Recovery Church seeks to provide answers and help for those who desire to overcome their addictions, as they were specifically created by the recovery community and for the recovery community. Addiction can lead to economic and family issues as well as unemployment and homelessness. Recovery Church provides a church service with a recovery focus, seeking to provide a Christ-centered approach to living the life that people were designed to live. The church is friendly to the 12 steps, but is not a program or a treatment center. Rather, it is a church, a body of believers. It connects people with a lot of Christ-centered programs as well as some secular ones. Recovery Church wants to be that bridge that gets people well enough to be in a mainline church. The goal is to lift people up and help them move forward in life.</p>

October 7, 2023	U.S. Student Athletes Share Faith Today (25 minutes)	<p><u>Host:</u> Jenny Burkhiser <u>Guest:</u> Jeff Martin, Executive Vice President of Strategic Partnerships, <i>Fellowship of Christian Athletes</i>, (Kansas City, MO). www.fca.org; www.fieldsofffaith.com <u>Description:</u> The leading edge of Gen Z has turned 25 years of age, which means this cohort is starting to graduate from college, obtain jobs, vote, rent apartments—and walk into church. But Generation Z is the least religious generation in the United States: about 44% of Gen Z adults identify as atheist, agnostic, or have no specific religious affiliation, while only 35% identify as Christian. Notably, Generation Z Christians are “missionaries” to their own generation, with 82% of such teenagers reporting having shared about God in the last year. The Fellowship of Christian Athletes’ (FCA) vision is to see the world transformed by Jesus Christ through the influence of coaches and athletes growing in Christ and His Church. This year, FCA is hosting its <i>Fields of Faith</i> events, offering an athletic field as a neutral rallying point for a community of faith believers where side by side, student athletes invite, pray for, share with, and challenge their peers to read the Bible and follow Jesus Christ.</p>
October 14, 2023	Showing Care & Support for Your Pastor (25 minutes)	<p><u>Host:</u> Jenny Burkhiser <u>Guest:</u> Brian Kluth, National Spokesperson for the <i>Bless Your Pastor Movement</i>, (Golden, CO). www.blessyourpastor.org <u>Description:</u> Called shepherds of their flocks, those serving as pastors to care for the people of God have a high calling that comes with many demands: from church service preparations and attending to the numerous spiritual needs of the congregation to comforting and serving those who have lost loved ones. Sadly, the number of pastors seriously considering quitting full-time ministry has risen dramatically in recent years, citing stress of the job, loneliness and isolation, current political divisions, family problems, and financial strain, as many churches have limited budgets and are often not able to compensate their pastors or church staff very well. That’s why the <i>Bless Your Pastor Movement</i> was created to mobilize Christians and churches everywhere to show and share God’s love for their pastors and church staff even as churches work toward better compensation.</p>

As Israel goes through its greatest trial in modern history, how can we respond biblically, praying for the peace of Jerusalem? The International Christian Embassy Jerusalem was established in 1980 in recognition of the biblical significance of all of Jerusalem and its unique connection with the Jewish people. Their goal is to stand with Israel in support and friendship, equip and teach the worldwide church regarding God's purposes with Israel and the nations of the Middle East, be an active voice of reconciliation between Jews, Christians, and Arabs, and support the churches and congregations in the Holy Land. With so many Jewish people living in unthinkable conditions right now in Israel and around the world — including innocent children, families, and elderly Holocaust survivors — generous donations can help The Fellowship provide basic necessities like food, medical assistance, and shelter as well as safety and security provisions. Americans with Jewish neighbors were encouraged to support their local synagogues and Jewish neighbors in these difficult times with a Christian testimony of comfort and love.</p>

November 4, 2023	The US Gas Market and Conservation: Lowering Pump Pain (25 minutes)	<p><u>Host:</u> Jenny Burkhiser</p> <p><u>Guest:</u> Scott Angelle, former U.S. Bureau of Safety and Environmental Enforcement Director and Founder of USA Energy Workers, (Lafayette, LA). https://usaenergyworkers.com/</p> <p><u>Description:</u> Thanksgiving and Christmas are supposed to be times of gratitude and joy—not stress and anxiety. However, inflation-battered drivers will have to dig deeper into their wallets to afford the cost of this year’s holiday road trips with friends and family as gasoline prices are on the rise yet again and the cost of nearly everything is up thanks to increasing inflation. With the average price for a gallon of gasoline is \$3.82 – 60 cents higher than at the beginning of 2023, how can one best plan ahead to enjoy creating memories with loved ones without the needless worry? Tips to conserve fuel include planning for trips, pack light, do not needlessly idle a vehicle with it running, clean or replace the air filter, and limit high speed, starts and stops. Scott maintained that there is a need for more American-produced and generated energy, with superior climate and environmental metrics as derived from USA Energy Workers. His perspective was to balance the 3Es: Environment, Energy, and Economy, encouraging American energy policy that includes traditional and renewable energy resources that support US energy workers, Americans in poverty and on fixed incomes, and the economy.</p>

		<p>Post-traumatic stress can occur following a life-threatening event like military combat, natural disasters, terrorist incidents, serious accidents, or violent personal assaults. People who suffer from PTSD often suffer from nightmares, flashbacks, difficulty sleeping, and feeling emotionally numb. Members of the military exposed to war/combat and other groups at high risk for trauma exposure are at risk for developing PTSD. Among veterans returning from the current wars in Iraq/Afghanistan, PTSD and mild to moderate traumatic brain injury (TBI) are often linked and their symptoms may overlap. The physical changes that take place in the body and brain following trauma are beginning to be understood, but most treatments for these changes are still experimental. This makes it difficult to “hold on” until hope can be found for many veterans. The Mighty Oaks Foundation is committed to serving the brokenhearted by providing intensive peer-based discipleship through a series of programs, outpost meetings, and speaking events, hosting Mighty Oaks Warrior Programs for men and women, as well as Marriage Advance Programs. The Warriors who attend are fully sponsored for training, meals, and lodging needs to ensure that upon arrival to the ranch, each Warrior is focused solely on recovery and identifying purpose going forward.</p>
November 18, 2023	<p>Building a Family Economy for Strong Households, Communities, Society, & Earth Stewardship (35 minutes)</p>	<p><u>Host:</u> Jenny Burkhiser <u>Guest:</u> Ray Simmons, Pastor of Ascension Reformed Church and Author of <i>The Confessional County: Realizing the Kingdom through Local Christendom</i>, (Montgomery County, IA). https://gatherandgrow.us/ <u>Description:</u> As we are celebrating Thanksgiving in a few weeks, we will be remembering the Pilgrims as well as revisiting the stories and history of our American forefathers and families. Today, moral values and families are declining, even as record inflation, homelessness and crimes such as flagrant shoplifting are seen. The Scripture notes that the home is the focus of discipleship and fathers are key to this, however, about 41% of children in America are born without present fathers. Division in the family and lack of spiriting maturity shows a struggling community, along with children showing a consumer mindset or the lack of understanding the biblical laws of harvest. 		<p>Economy was defined as productive families that are unified and complementary, practically providing for the needs of the family and producing things as distinguished from the individual or corporate economy where the family is fragmented and each goes to his own place through the day. Children are part of serving and helping in age-appropriate ways. The husband and wife work together in a family economy per Genesis 2. While the Industrial Revolution had many positives, it moved fathers from the home during the most productive hours of the day and machinery took the place of the family helping each other. Deuteronomy 6 is a very good picture of the blessings of being in a covenant community, family, or church. For example, Pastor Simmons has built a family economy through a construction business; while he makes bids for jobs, his sons perform the construction and his daughter is responsible for accounting. Pastor Simmons advised to start your own family economy to be self-sufficient, including family devotions in the evenings for family discipleship. Grandparents can teach their grandchildren and multigenerational family unit is biblical and early puritans were interdependent and formed a microeconomy. He shared how one family has opened a store with the mother and kids homeschooling in the back while the father maintains the store. There are practical steps that parents and even grandparents can take now to build a successful and God honoring “family economy” model of the pilgrims and puritans – including bee keeping, raising chickens, and growing your garden.</p>
