Liberty's Kids II

All of these programs were disseminated for weekend broadcast by CBS affiliates and owned stations.

I hereby certify that the children's programming disseminated by CBS, during the period October 1, 2012 through December 31, 2012, was formatted to contain no more than the maximum amount of commercial time permitted under the Communications Act, as amended, 47 U.S.C. §303a, and 47 C.F.R. §73.670(a)-(d). Specifically, I certify that, in the form and sequence in which the programming was disseminated by CBS to its owned and affiliated stations for broadcast:

- (1) Each hour of weekend children's programming (containing either one hour-long program or two consecutive half-hour programs) contained no more than ten and one-half minutes (10:30) of network commercials and was formatted to contain no commercials supplied by the local station;
- (2) When, due to preemptions, the network disseminated during the weekend a half-hour children's program which was not part of an hour's block of children's programming, that program contained no more than five minutes fifteen seconds (5:15) of network commercials and was formatted to contain no commercials supplied by the local station.
