

**First Dallas Media, Inc.
Policy Regarding Air Time for Political Candidates**

Pursuant to the Federal Communications commission's:
**Statutes and Rules on Candidates Appearances and Advertising
Communications Act of 1934**

and, in particular, according to:

Section 312 [47 U.S.C. §312] Administrative sanctions of these Statutes and Rules, a non-commercial educational broadcast station is exempt from the rule that requires broadcast stations to allow "reasonable access" or "permit purchase of reasonable amounts of time" for political candidates.

However, if a broadcast station should allow such reasonable access or permit purchase of time, then, according to:

Section 315 [47 U.S.C. §315] Facilities for candidates for public office:

"If any licensee shall permit any person who is a legally qualified candidate for any public office to use a broadcasting station, he shall afford equal opportunities to all other such candidates for that office in the use of such broadcasting station: *Provided*, That such licensee shall have no power of censorship over the material broadcast under the provision of this section."

It is our policy to decline purchase of time or underwriting on any of our broadcast stations by or on behalf of any candidate for public office, regardless of party affiliation.
