Re: Children's Programming Certification

Dear Nisha:

This letter is in connection with the Children's Television Act of 1990 and the requirement under FCC regulations that cable television systems maintain records sufficient to determine whether they are in compliance with the commercial content restrictions of the Act for "children's programming" which is defined as "programs originally produced and broadcast primarily for an audience of children 12 years old and younger."

As requested, this will confirm that for 2021, Game Show Network, LLC certifies that the Game Show Network is in compliance with the commercial content restrictions of the Act.

Dear Affiliate:

In response to your recent request, this is to certify that HSNi, LLC ("Network"), during the calendar quarter ending December 31, 2021:

1) provided closed captioning services on its HSN and HSN2 services delivered to you in compliance with the applicable closed captioning regulations of the Federal Communications Commission ("FCC").

2) had no programs originally produced or broadcast primarily for an audience of children 12 years old and under. Accordingly, none of Network's programming during such quarter constituted "children's programming" as defined by Section 73.225 or 73.670, as applicable, of the FCC's rules, and, therefore, none were subject to the commercialization limits imposed on children's programming (*see* 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children's programming on our schedule, we would comply with all pertinent FCC requirements and would, at that time, provide notice of the programming change.

Our CALM Act certification and our closed captioning standards certification are located for wide distribution at <http://www.adm.qvc.com/forms.html>.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

David R. Caputo

To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you may receive all the disclosures and notices electronically or in paper format

through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

* "The Children's Television Programming Rules Order, FCC 19-67 (released July 12, 2019), deleted the obligation for station's that multicast to air three (3) hours of digital Children's CORE programming for each multicast channel. The primary signal of a station may complete its Children's CORE obligation by airing either (i) three (3) hours per week (as averaged over a six-month period) of CORE Programming, or (ii) 156 hours of CORE Programming annually, including at least 26 hours per quarter of regularly scheduled weekly programming of at least 30 minutes in length and up to 52 hours annually of CORE Programs of at least 30 minutes in length that are not aired on a regularly scheduled weekly basis, such as educational specials and regularly scheduled non-weekly programming, and/or other non-regularly scheduled programming and short-form programming, such as PSAs and interstitials. In retaining the existing three (3) hour per week (on average) requirement the FCC also expanded CORE Programming hours to be between 6 a.m. to 10 p.m. local time, and allows stations to also air thirteen (13) hours per quarter of the regularly scheduled weekly CORE programming on a multicast stream. Accordingly, stations need to air at least two-thirds of their total annual CORE Programming hours (i.e., 104 hours) on their primary streams and no more than one-third of their total CORE Programming (i.e., 52 hours) hours on a multicast stream. Dear Affiliate:

In response to your recent request, this is to certify that QVC, Inc. ("QVC"), during the calendar quarter ending December 31, 2021:

- 1) provided closed captioning services on its QVC, QVC2 and QVC3 services delivered to you in compliance with the applicable closed captioning regulations of the Federal Communications Commission ("FCC"); and
- 2) had no programs originally produced or broadcast primarily for an audience of children 12 years old and under. Accordingly, none of QVC's programming during such quarter constituted "children's programming" as defined by Section 76.225 or 73.670, as applicable, of the FCC's rules, and, therefore, none was subject to the commercialization limits imposed on children's programming (see 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children's programming on our schedule, we would, of course, comply with all pertinent FCC requirements and would, at that time, notify you of the programming change.

Our CALM Act certification and our closed captioning standards certification are located for wide distribution at <http://www.adm.qvc.com/forms.html>.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

David R. Caputo
