## MEDIA BUREAU ANNOUNCES EFFECTIVE DATE FOR FILING SHARED SERVICE AGREEMENTS

### MB Docket Nos. 14–50, 09–182, 07–294, and 04–256

On August 25, 2016, the Commission released the *2010/2014 Quadrennial Regulatory Review Second Report and Order (Second Report and Order)*. The *Second Report and Order* adopted a comprehensive definition of shared service agreements (SSAs) and a requirement that commercial television stations disclose SSAs by placing them in their online public inspection file.<sup>1</sup> The Commission's decision regarding the definition and disclosure of SSAs was upheld in the subsequent *Order on Reconsideration* released by the Commission on November 20, 2017.<sup>2</sup> By this Public Notice, we announce that today the filing requirement for SSAs has taken effect after publication in the Federal Register.<sup>3</sup>

The Commission stated in the *Second Report and Order* that the rules adopted therein would become effective 30 days after publication in the Federal Register, except for rules that contain new or modified information collection requirements that require approval by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (PRA), which shall become effective after the Commission publishes a notice in the Federal Register announcing OMB approval and the effective date of these rules.<sup>4</sup> OMB approved the SSA disclosure requirement on March 12, 2018, and the Commission published notification of the approval and effective date in the Federal Register on March 23, 2018. Accordingly, the requirement that commercial television stations disclose SSAs by placing them in their online public inspection files takes effect as of March 23, 2018.

Each commercial television station that is party to an SSA executed prior to the above effective date of the disclosure requirement shall place a copy of the SSA in its public inspection file within 180
