The Deadly Ride

Jason Dalton, a former Uber driver, terrorized the city of Kalamazoo, Michigan, for eight horrific hours on Feb. 20, 2016, killing six people and seriously injuring two others. “20/20” presents a two-hour episode on his crime spree and puzzling explanation to police, featuring interviews with surviving victims, relatives of victims, law enforcement and others who crossed paths with him on that tragic day. ABC News chief national correspondent Matt Gutman sits down for emotional interviews with Dalton’s two surviving victims: Abbie Kopf, who miraculously survived after she was shot in the head at age 14 and her heart stopped, and Tiana Carruthers, a young mother shot in her condominium complex while shielding children from the gunfire. Both Abbie and Tiana open up about their encounters with Dalton, their injuries and how life has progressed. (OAD: 2/22/19)

New Year’s Evil

When Shele Covlin — a 47-year-old mother of two and successful banker — is found dead in her bathtub in her apartment on the Upper West Side of Manhattan, it seems at first like a tragic accident. But family members quickly grow suspicious of her estranged husband, Rod Covlin, especially after authorities exhume her body and come to a shocking conclusion: Shele was strangled. “20/20,” co-anchor Deborah Roberts reports on the secrets uncovered during the years-long investigation, ranging from allegations of domestic abuse to the revelation that Shele had decided to cut Rod out of her multimillion-dollar will just a day before authorities found her dead, that eventually put Rod behind bars. After the Blast: The Will To Survive

A new special chronicling ABC News correspondent Bob Woodruff’s emotional journey back to Iraq, where a split-second event changed his life forever. In early 2006, then-anchor Woodruff was reporting in war-torn Iraq when a horrific roadside bombing nearly took his life. He made it home after receiving lifesaving care from the U.S. military, but the attack left him with a traumatic brain injury and an extensive and painstaking recovery. Now, almost 20 years later, Woodruff returns to the explosion site for the very first time to an area once known as the “Triangle of Death,” with his son, Mack, by his side. There, Woodruff reunites with the Iraqis who worked alongside the American troops to help save him as he retraces his 72 hours on the ground in 2006 and reexamines the implications of this war. Woodruff comes face-to-face with his past, talks candidly about the painful lessons he’s learned, and looks ahead to the future as he pursues his post-war mission to ensure no wounded veteran is left behind. The hour will also showcase The Bob Woodruff Foundation’s annual Stand Up for Heroes benefit, including exclusive footage from the November 2023 event with performances by Josh Groban, Rita Wilson, Tracy Morgan, Jon Stewart and John Mellencamp.
