13 Eyewitness News followed a terrifying stabbing spree at Lone Star College. 20-year student Dylan Quick stabbed more than a dozen people at the school. While no one died in the attack, two were hospitalized in critical condition. Authorities say Quick used a razor utility knife to slash at his victims on two floors of the college's health science building. Investigators allege Quick had fantasized about cannibalism and necrophilia and about cutting off people's faces and wearing them as masks. Quick's attorney has said he didn't think the 20-year old had a history of mental illness, but Quick was scheduled to be psychologically evaluated. He has been charged with three counts of aggravated assault. If convicted, he could be sentenced to life in prison.

BOSTON MARATHON BOMBING

***Eyewitness News.* Air Dates: April 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30. May 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 27, 28, 29. June 2, 3, 4, 6, 18, 27. Total Coverage: 11 Hours 7 Minutes**

13 Eyewitness News reported on the deadly terrorist attack at the Boston Marathon. Two pressure cooker bombs exploded near the finish line, killing three people and injuring 264 others. The FBI used surveillance video and photographs to identify the suspects, Dzhokhar and Tamerlan Tsarnaev. Shortly after the FBI released the images, the suspects allegedly killed an MIT police officer, carjacked an SUV and got into shootout with police in Watertown, Massachusetts. During the gun battle, Tamerlan was run over by his brother. He later died. Dzhokhar was captured following an unprecedented manhunt,

featuring thousands of law enforcement officers. During an interrogation, he claimed his brother was the mastermind. He said they were motivated by extremist Islamist beliefs and the wars in Iraq and Afghanistan and that they were self-radicalized and not linked to any outside terrorist group. In June, Dzhokhar Tsarnaev was indicted for killing four people using a weapon of mass destruction. Eyewitness News reporter Jessica Willey reported from Boston.

ASTRODOME FUTURE

***Eyewitness News.* Air Dates: April 12, 13, 14, 15, 16, 17, 18. May 24, 25, 26, 27, 28. June 19, 20, 21, 22, 23, 24, 25, 26. Total Coverage: 3 Hours 31 Minutes**

13 Eyewitness News closely followed the ongoing debate over the fate of the Harris County Domed Stadium. The iconic Astrodome has fallen into disrepair since it was shuttered four years ago. Now the facility could see new life as a giant convention center and exhibition space under a plan recommended by the Harris County Sports & Convention Corporation. The proposal calls for creating 350,000 square feet of exhibition space by removing all interior seats and raising the floor to street level. Other changes would include creating 400,000 square feet of plaza and green space outside of the structure, all in hopes of turning the Astrodome into a show piece of Reliant Park. Last year, a consulting firm recommended a \$270 million plan to turn it into a multipurpose facility.

NORTH FOREST ISD TO MERGE WITH HISD

***Eyewitness News.* Air Dates: April 1, 2, 3, 4, 15, 16, 18, 27. May 7, 8, 9, 10, 22, 23, 24, 28, 29, 31. June 1, 13, 14, 15, 23, 24, 25, 26. Total Coverage: 2 Hours 40 Minutes.**

13 Eyewitness News followed efforts by North Forest ISD school officials and community activists to keep the troubled school district open after the Texas Education Agency ruled the district academically unacceptable. The district lost one of its final court battles in June, making the district's state-ordered merger into HISD increasingly likely. U.S. District Judge David Hittner rejected claims by North Forest that the school system's takeover by the Houston Independent School District would violate the rights of minority voters. North Forest now has two more long shots to halt the shutdown of the school district, with motions in state appellate court and the Texas Supreme Court. State Education Commissioner Michael Williams says he remains confident that his order to shut down the district will stand, after decades of academic and financial struggles there.
