Quarterly Issues & Programs Report: WLVS-FM (Q4 2017)

The major issues identified / communicated across the WLVS-FM listening area include public safety, community service programs, and governmental meetings and forums. In an effort to serve our audience, WLVS provided broadcast programming for these issues, and others, between October 1, 2017 and December 31, 2017.

Public Safety:

(PSA) Promotion of community safety meetings, crime and safety alerts, and community meetings. These issues are provided a minimum of 4 minutes per day, in all dayparts, 6 days per week.

Community Service Programs:

10/15/17 – WLVS provided a 75 total minute public awareness campaign to the Decatur County Soccer Association as they raised funds for their annual 'Santa Village'. The airtime promoted the work of this all-volunteer community athletic association for youth.

11/30/17 – WLVS provided a 25 minute interview segment to the Decatur County, TN Chamber of Commerce to promote local community programs and events for the upcoming holiday season. (8am hour)

12/1/17-12/15/17 WLVS Provided 80 minutes (across various dayparts) promoting local holiday efforts on behalf of art groups and community programs.

Governmental Issues / Meetings:

Various Dayparts: WLVS dedicates, no less than 5 minute per day (5 days weekly) , as part of our local coverage, to alerting listeners to governmental meetings including, but not limited to, county commission meetings, city council meetings and committee meetings. In addition, we report on the outcomes of such meetings for citizens that are unable to attend.
